OVERCOAT DUTY.
You owe yourself an Overcoat that's right—the Overcoat that's right owes you proper protection and wear. But you will not find "right kind" of Overcoat every where; you'll certainly not find it if you shop at random. If you patronize most any kind of a clothing store most anywhere. If you jump at the first reduced price advertisement. If you rush into a store and rush out, buying the first coat shown you. To procure that "right kind" of Overcoat you must go to the right store—the kind of a store that confines its advertising to facts and invites investigation and comparison. If you will consider these points we believe that you will leave your Overcoat money here. Our Overcoat price range is from \$19.00 to \$25.00 and your money goes back if the coat goes wrong—but it won't. SOLE AGENTS FOR DUNLAP HATS. J. M. SOLKY & CO. ONE PRICE CLOTHING AND FURNISHERS. IT'S IN THE DRAFT.
The secret of the fuel-saving qualities of this Buck's hot blast heater lies in the draft construction. It is so made as to allow large quantities of heated air to pass over the upper surface of the burning coal, thus supplying oxygen to the rising gases, which are then converted into heating power. Simple, isn't it? And yet it's new principle in stove building—not to be found elsewhere. This stove will reduce your coal bill nearly one-third. Let us tell you of its many advantages. WM. E. SPRINGER & CO. Read Star Advertisements. They're Worth While.
