Regular Weekly Shoot Friday Afternoon Was Well Attended, But High Winds Prevented Best Scores-Peters Trophy.

Sixteen men faced the traps at the regular weekly shoot of the Wilmington Gun Club Friday afternoon. There was a strong breeze from the southwest and high scores were impossible. The team that represented the Club at Charlotte were on hand, and infused the local sportsmen with some of the enthusiasm that they gathered there. Mr. Hatcher, of the Dead Shot Powder Company, was a visitor at the shoot, and was cordially received by the local sportsmen. He came down with the Wilmington team from the plans in detail for the improvements Inter-State tourney in the Queen City. on the Atlantic Coast Line passenger | He made 84 of the 100 target exposed to his gun. Holmes and Stokley each made 87 out of 100 shot at. Dr. Bellamy made 44 out of 50, which was well up to the average of all the men.

The Peters shoot was held first, and will be concluded next Friday after-The scores in this shoot are as will be found in the first two columns below, while the third and of W. P. Harrell, who, she alleges, ness interests of the city, but later fourth columns are the breakages in
