of This City a Delegate.

Mr. Henderson Cole, of the Wilmington Furniture Company, has returned from Greensboro, where he attended the anual session of the Unit- HOURS FOR TELEGRAPHERS ed Merchants Associations of North Carolina. Mr. Cole was the only delegate from this city to the convention, but during the progress of the session an address was delivered by Mr. D. L. Gore, of this city, who was extended a special invitation to do so by those in charge of the programme of the convention.

The Association convened in the Benbow Hotel at Greensboro Tuesday evening, and continued in session until Friday morning. During the progof importance was transacted.

Mr. Gore's speech was highly complimented by all who heard it. There dance, representing the business interests in every section of the State, and Mr. Gore was heartily congratu- to be worked 12 hours, as taken up lated by all present after he had finished his remarks.

Another speech which was listened to with great interest was that delivered by the Hon. Ashley Horne, of Clayton, who is in the race for the gubernatorial nomination at the next State election. Mr. Horne is a selfmade business man and his speech was thoroughly practical and interesting. Mr. Cole states that Mr. Horne, during the convention, received as surances from many of the prominent men present that he would receive team wore the smile that refuses to their support in his race for the governorship.

Superintendent Newell Appeared Before State Corporation Commission at Raleigh.

Operators on Coast Line Not Overworked and Twelve Hours on Duty Are Not Excessive. Held for Infanticide.

(Special Star Telegram.) Raleigh, N. C., June 22.-The greater part of the morning session of the North Carolina Corporation Commission for the hearing on petition of the Southern, the Atlantic Coast Line and the Seaboard Air Line for deferring the operation of the eight hour law for railway telegraph operators until next March and allowing the operators with the examination of T. J. Witherspoon, railway operator for the Southern at Greensboro. He was introduced in the interest of the telegraphers with a view to showing that eight hours is full long for the operators to be on duty in view of the duties encumbent on them if the public safety and anything like fairness to the operators are considered. There was a lengthy cross-examination on the part of the railroad companies to show that if the eight hour law were put Among other important matters into effect that there would not be op-

Second Game.

A general idea of the second game is given in the opening of this article. The Monarchs played as if their thrones were in danger and they certaily succeeded in repulsing and routing the enemy. The principal factor in winning the engagement was a certain tall young son of the Emerald Isle who is known to every baseball "fan" under the appellation of "Porp" Green. In the language of the base ball artist, this person who occupied the rifle pit, for the Monarchs "had everything" and his pitching was eas-

ily the feature of the contest. The Rattlers played hard ball throughout the game, but for one time they were simply out classed.

ball playing, the game was ended with the Monarchs the victors, by the close

score of 3 to 0. The teams were pitted against each
