## MAYOR'S FULLHOUSE WORK AT BLEWETT FALLS PRETTY CEREMONIES THE DAY OF ATONEMENT MR BRUNER IS BACK

Rockingham Power Company's Plant For Transmission of Power and Electricity to Seaboard Territory-Great Progress.

Parties returning the past week from the giant construction work of the Rockingham Power Company, of this city, at Blewett's Falls, in Anson county, report the work as progressing satisfactorily. More than a thousand workmen are employed and those acquainted with the situation say it is entirely within the range of probability that Wilmington will be lighted with electricity from the plant some time during the new year. That it is the bona fide purpose of the company to transmit power to Wilmington is evidenced from the fact that in all the towns of importance between here and Rockingham, the company's engineers have been surveying and nego- much impressed with the beauty of tiating with the municipal authorities the exercises and the importance of with regard to contracts for the town lighting.
