INCIDENT OF HIS LIFE.

Lumberton Attorney Writes of the Late Nathaniel Jacobi. Wade Wishart, Esq., of the Lumberton bar, writes as follows to the Robesonian of this week: The recent death of Mr. Nathaniel Jacobi, of Wilmington, recalls an incident in the life of that good man which should never be forgotten by the people of Robeson county. Shortly after the close of the Civil war, in the days when the Freedman's Bureau flourished, a number of men from this county were carried to Wilmington to answer charges peculiar to that period before a United States commissioner. While there they were required to give bond for their appearance at a future time, and being unknown in that city, it looked as if they would be locked up for want of a surety. Although they were strangers to Mr. Jacobi, he knew the character of the charges against them, and he was one of the men who came forward and made their bonds, thus causing them to be spared the humiliation of going to jail. The names of the men are unknown to this writer, but they were of our people, and this act of Mr. Jacobi's should ever be held in grateful remembrance by the people of this county. Wade Wishart. Lumberton, N. C., Nov. 9, 1907.

FUNERAL OF M. RATHJEN, JR.

Remains of Young Man at Rest in Oakdale—Impressive Services. Despite the very inclement weather a large number of friends gathered yesterday afternoon at 3 o'clock to attend the funeral of the late Martin Rathjen, Jr., the services having been from the family residence, Fifth and Swann streets; thence to St. Paul's Evangelical Lutheran Church and to Oakdale cemetery where the remains were laid to rest. The services were very impressive and were conducted by the Rev. W. A. Snyder, pastor of the congregation, who paid a pretty tribute to the memory of the young man and uttered words of consolation to the sorely bereaved father, mother and other members of the grief-stricken family. Among those in attendance upon the obsequies were many members of the Howard Relief Company, who assembled at their club rooms and attended in a body. The floral offerings were numerous and very handsome. The pall bearers for the sad occasion were: Honorary, Drs. E. J. Wood and A. H. Harris, Aldermen W. A. French, Jr. and J. A. Karr, Messrs. M. G. Tiencken, and J. G. L. Gieschen; Active, Messrs. Martin Schulken, Theo. Schutte, Walter Goddard, Fritz Tiencken, Henry Flick and T. D. Meares, Jr.

Seaboard Improvements.

It is stated that 74 miles in all of the laying of the heavier rail on the Seaboard between here and Hamlet has been completed, this improvement extending from Wilmington to Council's and from Hamlet this way as far as a point between Lumberton and Moss Neck with the work still progressing. It is stated that while heavier rail is being placed on the line little if anything is being done in the way of new ties and surfacing the roadbed. The old depot which recently gave place to the new union station at Lumberton has been removed and is being re-erected at Elkton, N. C.

LOCAL DOTS.

First Church of Christ, Scientist, Carolina place. Services this evening at 8:15 o'clock. All are invited.

Yesterday afternoon's Fayetteville Observer says: "There was 1.3 feet of water in the Cape Fear at 8 o'clock this morning. Today's heavy rains, it is expected, will give the river plenty of water."

The condition of young Darrell Marlon, the actor who was accidentally shot last Friday morning, was much improved again yesterday. His mother has arrived from Selma, Ala., to be with him.

In the police court yesterday Jas. Hunt, colored, arrested by Officer W. F. Craig for being drunk and disorderly, was sent to the roads for 30 days. Rachel Roberts, an old offender, for being drunk and disorderly in Terry's alley, was given 30 days on the farm. Other cases were trifling.

Sheriff Mills, of Onslow county, was in the city yesterday conveying to the State hospital for the insane at Raleigh a mildly demented white man. The patient was placed in the New Hanover jail until the departure of the northbound train last night.

Bernheim, of Elizabeth College, celebrated his 80th birthday Friday, all the members of his family who were in the city being present at a dinner which was given by him. The faculty and student body of Elizabeth College presented him with a golden medal. Although advanced in years, Dr. Bernheim is active in the work of the college and the historical work of the Lutheran church. He received congratulations from many friends on his golden anniversary."

WARRANT WILL NOT HOLD.

Contention of Attorney Who Applies for Habeas Corpus for Client. George L. Peschau, Esq., counsel for young P. H. Evans, who was arrested here day before yesterday on a warrant from Rocky Mount charging him under the new law of 1907 with obtaining board in 1905 to the amount of \$50 and failing to pay for the same, left last night for Wilson where he will appear before Judge Walter H. Neal and ask for a habeas corpus for his client, whom it is alleged is wrongfully detained. The contentions of Mr. Peschau are that the warrant alleges a criminal violation whereas the 1907 law is a civil provision; moreover that the question involved is ex post facto in that the defendant is charged under a law that was enacted two years and more after the alleged violation was committed. Deputy Sheriff A. T. Piver accompanied young Evans to Wilson in spite of the fact that Mr. Peschau waived the presence of his client at the hearing of the petition and desired to leave him here to avoid expense incident to the travel. The result of the case will be made known today.

W. L. I. ELECTION.

Under a general order from regimental headquarters, the Wilmington Light Infantry last night held an election to fill the vacancy caused by the recent resignation of First Lieutenant Thos. R. Orrell, appointed as assistant inspector of small arms practice of the State National Guard with the rank of Major. Second Lieut. Thos. J. Gause was elected to the position of first lieutenant and to fill the vacancy caused by the promotion of Lieut. Gause, Second Sergeant Louis E. Hall was chosen. Both these clever young officers of the company briefly responded to the honors conferred upon them and Capt. Robertson took occasion to felicitate the command upon their wise action in the selections. Capt. Robertson will later appoint a member of the corps of sergeants to fill the vacancy caused by the promotion of Sergeant Hall.

NAVAL RESERVES COMMANDER.

Junior Lieutenant J. B. Peschau is Chosen to Succeed Mr. Chase. At an election of commissioned officers of the Wilmington Division, Naval Reserves, held last night in accordance with authority recently granted from headquarters of the Brigade, Lieutenant Junior Grade John B. Peschau was elected to the position of Lieutenant Commanding to succeed Mr. H. M. Chase, recently resigned on account of a press of business affairs. Ensign Cuthbert Martin was elected lieutenant junior grade to succeed Mr. Peschau promoted, and Gunner's Mate J. M. Murphy was chosen to succeed Mr. Martin as ensign. The elections give very general satisfaction to the sailors and are well deserved promotions for those who have been most active in the affairs of the Division.

MacRae, Jr., members of the law firm of MacRae & MacRae, have returned to the city after a somewhat prolonged absence on legal business for the Rockingham Power Co., and the Carolina Trucking Development Company. MR. ROBIN TAYLOR DEAD.

Young Wilmingtonian Dies in Far Away Utah—The Remains. Chief of Police Williams yesterday received a letter of inquiry from the chief of police of Ogden, Utah, stating that a young man named Robin Taylor had died there on November 6th, and asking for any information he might have as to the relatives of the deceased in this city. The young man was well remembered by many friends here, who heard with regret of his death. He is a brother of Mr. Matt P. Taylor, a civil engineer recently located here, and of Mr. George M. Taylor, formerly of this city, but now of Savannah, Ga. The remains of the young man have been embalmed and are now at an undertaker's in the far-away city awaiting advices from this city as to the disposition of the body. This will be decided to day and the Utah authorities will be telegraphed what to do. Young Taylor was about 26 years of age and had been away from Wilmington many years.

United States Marshal Claudius Dockery, of Raleigh, was in the city yesterday and formally adjourned the regular Fall term of the United States Circuit and District Courts to January 7th. SOUTHERNER FOR PRESIDENT

Movement Launched in Tennessee by Representative Citizens. (By Wire to The Morning Star.) Nashville, Tenn., Nov. 12.—A state convention of Democrats here today inaugurated a movement for the nomination of a Southern man as Democratic candidate for the presidency in 1908. Each delegate was instructed to work in the interest of sending a delegation from Tennessee to the national convention that would vote first last and all the time for a Southern man and an address to the Democracy of the Nation was issued. Only one name that of former Governor James D. Porter—was mentioned in connection with the nomination. This was greeted with enthusiasm, but Governor Porter, chairman, refused to countenance a discussion along such lines. Woodrow Wilson, president of Princeton University, was invited to address the convention but declined. Governor Patterson was a speaker and expressed hearty sympathy with the movement.

The address authorized by the convention declares that the Democratic party was born in the South but that this subject is approached in no sectional spirit. It asserts that conditions that made available candidates from the East no longer obtain and that recognition of a Southern man would emphasize the unity of the nation. The fidelity with which the South has adhered to the Democratic cause is pointed to and the assertion made that "the Democracy of the South is entirely free from the domination of corporate interests and predatory wealth."

It makes the claim "in leadership, in war, statesman and literature, the South is not behind other sections, and at this particular time we have men equal to those the East has produced."

MAY FIGHT FRENCH TROOPS

Moroccan Rebel Has Well Armed Force of 5,000.

(By Wire to The Morning Star.) Madrid, Nov. 12.—A special dispatch from Melilla, Morocco, says that the camp of Roghi, the rebel leader in the Melilla district, has been reinforced by Calid Hillal and now obtains 5,000 men with abundant ammunition. They are said to be preparing to attack the imperial forces.

Paris, Nov. 12.—M. Pichon, minister of foreign affairs, replying to interpellations in Parliament today, warmly defended the government's policy regarding Morocco, which he said, was crowned with success up to the present and would be continued. He declared that France and Spain recognized Abd-El Aziz alone as the legitimate sovereign in Morocco, but at the same time General Druce, commander of the French troops in that country, would not fight the Sultan's brother Mulai Haifid, unless attacked by his forces. M. Pichon said stringent instructions had been given to the French and Spanish agents to be most careful in whatever action they took to avoid intermeddling in Moroccan internal politics.

Former Governor James E. Campbell, of Ohio, who is a member of the State Tax Commission, said yesterday that he is a receptive candidate for United States Senator to succeed Senator J. B. Foraker.

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament. Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide. "Destroy the cause—you remove the effect." Sold by leading druggists. STRANDED ON LONELY ISLAND.

Rescue of Sailors Who Were Given Up for Lost. (By Cable to The Morning Star.)

Guyaquil, Ecuador, Nov. 12.—The captain and nine of the crew of the Norwegian bark Alexandria, who long ago had been given up for lost, were brought in here today by the vessel sent out from this port some weeks ago to search for them. With the exception of one man, an American named Frederick Jeffs, the officers and crew of this ill-fated ship are now all accounted for and the recital of the experiences of this last boat load, their escape from the dangers of the sea and a precarious life on an uninhabited island in the Pacific ocean, shows that these seafarers have come through perils and privations that well might have caused them to lose all hope of ever seeing Norway again. The Alexandria left Australia November 26 of last year with a cargo of coal. By the end of February she was off the Galapagos Island and her ill luck began. She was becalmed for weeks at a time and unable to work her way to any port. For fully three months she drifted about this part of the Pacific completely out of hand. Provisions ran low and the crew endured great hardships. Finally lack of food and water compelled the captain to abandon the bark at a point 25 miles off Albemarle Island, one of the Galapagos group. The crew left in two boats. One reached Albemarle Island after seven days of rowing and the ten men on board were eventually taken off this port on the 11th of June. Nothing was heard from the other boat with the captain in command. The Ecuadorian cruiser Cotapaxi went out to search for it but in vain. She only found the bark piled upon the rocks off Albemarle.

The Captain relates that after his boat left the bark the men rowed for Albemarle but currents swept them to one side and after many days of labor at the oars they managed to make indefatigable Island, another of Galapagos group. Here Jeffs was abandoned on the coast. He was ill and said it was impossible for him to accompany the others to the interior of the island. A shelter was made for Jeffs and he was supplied with food and water and left on the shore. The other men made their way inland where they managed to live for five months. They endured great hardships, however, and when they were found by the crew of the rescuing vessel they were all very weak and almost naked.

As there is still hope for Jeffs it is probable that another vessel will be sent out in an attempt to save him.

LOUISIANA LEGISLATURE.

Extra Session Considering Bills to Crush Corporations. (By Wire to The Morning Star.) Baton Rouge, La., Nov. 12.—Corporation reform began its progress through the extra session of the general Assembly today when the proposed new laws were favorably reported to the State Senate. Expulsion from the State of foreign corporations which carry State cases to the Federal courts, and increased powers for the State Railroad commission were the measures reported. One of the bills provides that no court shall have power to suspend by injunction the railroad commission's order until judgment is rendered. The corporation reform measures were the text of the unusual supplemental proclamation to the extra session by Lieutenant Governor Blanchard's absence from the state.

ROBBERS GET \$20,000 CASH.

Money for Payroll of American Smelting Company Stolen.

(By Wire to The Morning Star.) Trinidad, Col., November 12.—Checks and currency to the amount of \$22,000 intended to pay the wages of the Carbon Coal and Coke Company's miners at Cokedale, were lost or stolen yesterday afternoon while in transit in a stage from the Yougdale railroad station to the camp, a distance of only two miles. Charles Macomber, driver of the stage, was arrested on suspicion, but he declares he knows nothing about the supposed theft. The money package had been carelessly thrown with other express matter into the stage. Abraham Thompson, the paymaster, accompanied by Jim Williams, a guard, left here at dusk to drive to Cokedale, the biggest camp operated by the company. The money, which was in two canvass sacks was placed under the seat. Thompson says they encountered no one enroute to the camp but when they arrived at Cokedale and the miners had formed in line to receive their pay it was discovered that the money was missing. Thompson and Williams immediately retraced their tracks for several miles but found no trace of the thief and returned to Cokedale where they notified the sheriff by telephone. Some of the miners engaged horses and rode over the surrounding country but met no suspects.

WARM WIRELETS.

Fire wiped out almost the entire business section of Collins, Mississippi, yesterday. The water supply was cut off, the machinery undergoing repairs. A high wind prevailed and drove the flames away from other parts of the town that were in danger. The loss is between \$75,000 and \$100,000.

The Gary Grocery Company at Selma, Ala., one of the largest wholesale firms in central Alabama, was declared bankrupt yesterday afternoon and E. Lamar was appointed receiver. The liabilities are estimated at more than \$100,000, assets as yet unknown. Bad collections are given as the cause of the failure.

In accordance with the action of the vestry of St. Johns church, Richmond, Va., the historic building in which Patrick Henry made his great revolutionary speech, official letters were mailed yesterday to President Roosevelt and Secretary Cortelyou, protesting against the omission of the legend "In God We Trust" from the new ten dollar gold coin.

ATTACKED BY MASKED MEN.

Tennessee Tobacco Men Commit Outrage at Night. (By Wire to The Morning Star.) Clarksville, Tenn., Nov. 12.—Four masked men attacked J. M. Wade and two sons near Guthrie, Ky., last night and ordered them to leave within forty-eight hours. Wade raised a crop of tobacco but had not joined the association. The men held a revolver over him while one struck him with a stick. His sons, Thomas and Claude, were struck several times. Wade's wife and daughter were badly frightened. They came to Clarksville today.

Asheville, N. C., Nov. 11.—News was received here this afternoon of another homicide in Madison county. The killing occurred last evening at the home of George Franklin, at White Rock in the Shelton Laurel section. It seems that two young men, Clerk Norton and Benj. Franklin, were paying attention to a young lady, Miss Gentry, guest at the home of George Franklin, and there they met last evening, when young Norton, it is alleged, through jealousy, shot and killed Franklin. Franklin was twenty-two years of age while Norton, the slayer, is scarcely eighteen. Norton was arrested and will be taken to Marshall jail. The scene of the killing is some sixteen or eighteen miles from Marshall. Both men, it is said, are of well known and highly respected families.
