-New Bern, Nov. 11 .- There are numerous petty burglaries lately; more than have been known before for some time. It is said that since the mills have shut down more idle negroes have been thrown on the city and some have turned their attention to ways that are vain and tricks that are sly. The house of Mr. Fred Smaw on Metcalf street was entered in broad day light Friday and a purse containing eight dollars was lost to

-Tarboro, N. C., Nov. 11.-Fire destroyed sixty bales of cotton Saturday night at the Atlantic Coast Line station, Battlesboro. The cotton was stored on the freight platform, ready for shipment, having been delivered to the railroad authorities Saturday. The loss is estimated at \$3,000. -New Bern, Nov. 11.-During the past week Mr. C. C. Moore held meetings in the interest of the warehouse plan at Burgaw, Wallace, Mt. Olive Warsaw, Faison, Mayesville, Pollocksville and Trenton. Moore says he finds the people much interested in the warehouse movement and he is quite confident that at five of the above places there will be warehouses built very soon. Subscription to the capital stock amounted to nearly \$1,000 at three of the places. At all places there was selected a committee of five of the most influential men of the community to push the local warehouse to completion. Mr. Moore will meet the peo ple at three places in Craven and on Thursday will go into Beaufort county. Mr. Moore was asked if the farmers are selling cotton. The terrible acident occurred about three o'clock yesterday afternoon at the water tank at Apex. Mrs. Holleman was crossing the track from behind the tank, and the train was backing. It was upon her before she could act, and the wheels which crushed the life out of her mangled body cut this in half. Her face was not disfigured. Mrs. Holleman had been sitting up with a sick daughter and had then gone to a store to make some purchases. She started to her home and in so doing had to cross the track of the Seaboard. This she started to do at the water tank, and the freight, backing in on the side track ran her down. The train struck her so quicqly that it was all over before any alarm could be raised. Her husband, Mr. Nathan Holleman, is a contractor and carpenter at Apex and besides him she is survived by four sons and two daughters.

The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and laug complaints. Guaranteed by R. R. Bellamy, druggist. 50c and \$1.00. Trial bottles.

## THE CHANGE OF LIFE

Sensible Advice to Women from Mrs. Henry Lee, Mrs. Fred Certia and Mrs. Pinkham.

MRS HENRY LEE

MRS. FRED CERTIA

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. This is the most critical period of

her whole existence and every woman who neglects the care of her health at this time invites disease and pain. When her system is in a deranged condition or she is predisposed to apoplexy or congestion of any organ, the tendency is at this period likely to become active and with a host of nervous irritations make life a

burden. At this time also cancers

and tumors are more liable to form

and begin their destructive work. Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, melancholia, dread of impending evil, palpitation of the heart, irregularities, constipation and dizziness are promptly heeded by intelligent women who are approaching the period of life when this great change may be expected.

Mrs. Fred Certia, 1014 So. Lafayette Street, So. Bend, Ind., writes: Dear Mrs. Pinkham:-
