

No. 2 red 1.09 1-4 elevator. Corn weak, Oats steady, mixed 52 to 52 1-2. Rosin steady. Turpentine steady 41 1-2. Cotton quiet, 5 points decline, middling uplands 9.35; middling gulf 9.60.

Slocomb proved to be a Slowgo.

It is in order now for those who know to tell how it happened so.

Blessed are they who expect nothing for they shall not be disappointed.

Now let's pull together for industrial and commercial good of our city and section.

expected.

In this election it seems that the smaller the vote a Presidential candidate got the harder it is to ascertain what that vote was.

tional election we have the consola- must do. The further fact that for tion of knowing that it is over and cannot occur again for four years.

both sides talked at the same time.

A reading of the election returns hats.

It seems that North Carolina didn't want a "business man" of the Cox keeps.

nent question.
