HARVARD THE VICTOR

Crimson Tide of Banners Swept in Triumph Over Yale Field Yesterday.

DAY'S RESULT ON GRIDIRON

Navy Defeats V. P. I. and A. & M. Makes Great Score Against Wake Forest—Cornell Wins Cross Country Run.

(By Wire to the Morning Star.)
New Haven, Conn., Nov. 21.—A crimson tide of banners swept in triumph over Yale field in the dying light this afternoon for the men of Harvard, after seven long years, had beaten Yale 4 to 0.

A goal from the field kicked by Victor P. Kennard, of Brookline, Mass., fresh from the side lines, and standing on Yale's 28-yard line with the crimson line planted on the 15-yard line, was the winning score as the first half was closing. The game was a battle of football giants, the like of which has not been seen on Yale field. The Sons of Eli can point as a consolation to their goal line which was not crossed by a foe of even such worthy mettle. Man for man the teams were equally matched. Each team's defense was stronger than its offense, and the best laid plans of each in strategy well nigh went to naught. There was a critical point in game and it came in the second half owing to the failure of a forward pass. Yale had worked the ball to Harvard's 22 yard line when Johnson, the quarterback, gave the signal for the play which proved so successful against Brown.

This time the place for its execution was the diagonal opposite corner of the field. The ball went back to Philbin, who passed it cleanly over the on-rushing crimson forwards to Hains, but the ball was not thrown more than five yards from the center line and thinking the play was faulty under the rules, the ball went to Harvard. A great sigh of relief went up from the Harvard side of the field, and not five minutes later the game ended.

As a whole the game was rather of the old fashioned type, minus its mass plays by reason of the neutral zone and the ten-yard distance. Harvard was at times able to penetrate the Yale line, more often owing to the speed in which the line plays were started. Yale was slower than Harvard yet the power was there as was shown in the second half. Harvard rushed during the entire game 65 times netting 241 yards, an average of 3.7 yards to a rush. Yale rushed 47 times for a distance of 95 yards or nearly a yard less per rush on the average.

The victory of Harvard undoubtedly was due to the quick judgment of the Harvard coaches in sending in Kennard to try for a goal though Verwebe, who he succeeded, had been playing finely. The change in the line-up was instantly made for the plays were being reeled off rapidly, when came the line-up on Yale's 12-yard line. In another second Kennard at full back had received the ball, and applying his toe to it, the goal was made amid wild scenes on the Harvard side of the field. Banked along the gridiron was the largest crowd ever seen here.

The score: Harvard 4; Yale 0. Umpire: Edwards, Princeton. Referee: Landon, Trinity. Head Linesman: Hackett, West Point. Field Judge: Hall, Dartmouth. Goal from field, Kennard. Time of halves 35 minutes. Carlisle Indians Lose.

Minneapolis, Minn., Nov. 21.—Showing the best exhibition of the "open game" seen here this year, Minnesota outplayed the Carlisle Indians at their own game today and won by a score of 11 to 6. Minnesota used the forward pass often and with greater effect than the Indians. They made several successful forward passes of 40 yards and two touchdowns were directly attributed to these plays. Minnesota outplayed the Indians on straight football, and would probably have scored another touchdown had the game lasted a minute longer. The ball was on the Indians' one foot line with Minnesota battering away the Carlisle defense. The Indians were unable to elude the Minnesota ends on the forward passes and also fumbled frequently. After the first few attempts, Minnesota easily solved Carlisle's fake plays. Each team scored a touchdown in the first half and each touch down was followed by a goal.

Western Championship Decided. Madison, Wis., Nov. 21.—A remarkable 100-yard run for a touchdown by Quarterback Steffen, gave the Western football championship to Chicago today. But for this run, the score in the contest between Wisconsin and Chicago would have been twelve to twelve. The play was one of the most remarkable ever seen on a western football field. Steffen for Wisconsin kicked off to Steffen, who got the ball on his ten yard line near the western side line. Steffen started straight up the field and only two or three times was he compelled to dodge a tackler. The Wisconsin players seemed dumbfounded at the rapidity of the play.

RESIDENCE IN CAROLINA HEIGHTS.

The above is an excellent reproduction from the architect's drawings of the handsome residence being erected and now nearing completion for Mr. E. C. Holt, in Carolina Heights, the fashionable suburb being so rapidly developed just to the east of Wilmington.

The residence will be not only the most modern but one of the most handsome in the city, costing upwards of \$11,000. The plans and specifications for the handsome new residence are by Mr. B. H. Stephens, who is also the builder upon the guaranteed cost, plus a fixed sum, system which is generally in vogue throughout the North. The residence fronts on the extension of Market street and the lot runs entirely through the block with ample grounds in the rear. These will be improved and beautified, so that the home when occupied by Mr.

Holt and family will be one of the handsomest in the entire State.

The residence is of the semi-Colonial style of architecture and is very pretty. On the first floor are parlor, reception room, library, dining room and den, with all necessary kitchen, pantries and servants' quarters. Upstairs one of the most attractive features is a 12-foot front porch, extending 53 feet in length. On this floor there are five rooms with three connecting bath rooms, attic for private ball room or billiard and amusement room. The bath rooms are handsomely tiled and wainscoped with all modern improvements of every character.

The residence will be heated throughout with hot water and will be fitted for both gas and electric lights. It will be one of the most conveniently arranged and most modern in the city and both the architect and Mr. Holt are to be congratulated upon the nearness of its completion.

HIGH-HANDED INSOLENCE

Flashily-Dressed Negro Addressed Note to Shop Girl on Front Street.

For daring to address a note to a Miss Reese, who is employed as a clerk in the store of Joseph Brubaker, a Syrian, on South Front street, asking if he might accompany her home, a flashily-dressed negro giving his name as Josh Harlan, 23 or 24 years of age, was hustled into the patrol wagon by Sergeant C. S. Burnett and Policeman E. R. Chadwick at Front and Dock streets last night about 10:30 o'clock and he is now locked up at the police station for a hearing before the Mayor tomorrow at noon.

The negro was arrested as he stood on the corner awaiting a reply from the note which he had sent into the store to the young lady by a small colored boy. Sergeant Burnett happened to be passing the store about the time Officer Chadwick was called upon to arrest the negro and made a thorough investigation of the affair, ascertaining the fact that the negro walked into a nearby grocery, tore off a piece of wrapping paper and addressed the note to the young woman. The boy who carried the missive told Sergeant Burnett that he saw the negro write it and the note is now held at the police station as evidence against the scoundrel. He denied to Officer Burnett that he knew anything of the matter at all, but the police think the evidence is quite conclusive. Had friends of the young lady and an older brother who is said to be employed as a conductor by the Tidewater Power Co., learned of the effrontery of the negro earlier, they would no doubt have dealt him summary punishment on the spot.

RAILWAY CLERKS' MINSTREL.

Will be Attraction at Academy of Music December 7th.

A minstrel show under the auspices of the Brotherhood of Railway Clerks of this city, has been announced and will be an attraction at the Academy of Music December 7th. The best of local talent will take part and doubtless the entertainment will receive a strong patronage.

The event is being arranged under the direction of Messrs. F. W. Gerken and Samuel A. Matthews, who are capable of putting on a most excellent show. New costumes have been ordered and handsome stage settings furnished. Hollowbush's Orchestra will furnish music and the catchy songs and various vaudeville acts will afford an evening of rare pleasure.

Officer Frank George Injured.

Early last night as he was coming on duty at the police station, Mounted Policeman Frank George suffered a painful laceration of the left hand and the fracture of one of his fingers in an encounter with George Johnson, a desperate negro, whom he arrested for disorderly conduct on Fourth, between Red Cross and Campbell streets. Officer George says the negro struck at him with a knife but he knocked the weapon out of his hand; that later he struck him with some other object, breaking the finger. The officer pluckily held on to his prisoner, though a pretty severe clubbing was required to subdue him. Mr. George's injuries were dressed at the hospital and Johnson was locked up at the police station.

MISSION AT ST. JOHN'S.

Services Being Well Attended and Archdeacon Heard With Interest.

The services yesterday of the mission being conducted by the gifted Archdeacon Webber at St. John's Church were well attended and the congregations were visibly impressed with the strong preachings of the missionary. His address, "The Renewed Life," at the 11 o'clock service, is spoken of by all who heard it as a strong presentation of Bible truth in an appeal for higher living. At the afternoon service Rev. Mr. Webber told of "What It Is to be Spiritually Minded," and in the evening all present heard an able discourse on the "Fragrant Life." The people of the parish as well as those of the other Episcopal churches of the city are manifesting much interest in the series of services and those today promise to be unusually well attended. This morning at 7:30 o'clock Holy Communion will be celebrated with Archdeacon Webber the celebrant. Morning prayer and sermon at 11 A. M. and Sunday School at 4 P. M. At 4:30 P. M. there will be a special men's service at which the Archdeacon will make an address. Both the Brotherhoods of St. John's and St. James' will attend this service especially. Evening prayer and sermon will be at 8 P. M.

Archdeacon Webber will preach at both morning and evening service; will address the Sunday School; and will conduct the Special Men's Service. All are cordially invited to every service.

Please note that the hour for the Special Men's Service has been changed from 4 to 4:30 P. M.

Services at all the other Episcopal Churches have been arranged today so that all may attend the evening service at St. John's. The services at St. James' will be at 7:45 and at 5 P. M. Only and there will be no evening services at St. Paul's.

The offerings at all the night services are for the Archdeacon, who comes under the direction of no Bishop or diocese but purely on a mission of love and sympathy for humankind.

WILMINGTON GAME CARNIVAL THIS WEEK

Soldier Boy's From Fort Caswell Went Down in Defeat Before Civilians.

THE SCORE: SIX TO NOTHING

Fast Game, Poorly Attended, on Local Gridiron—Touchdown and Goal in First Five Minutes of Play. The Two Elevens.

Before an attendance of perhaps less than 200 people, more than half of whom came with the visiting team, it was said to the everlasting discredit of the local sporting fraternity, Wilmington defeated the gridiron warriors of Fort Caswell at League Park yesterday afternoon, making a touchdown and kicking a goal in the first five minutes of play; score 6 to 0.

The soldiers were accompanied to the city by the Post Artillery Band and something like a hundred men from the garrison, the party arriving on a special trip of the steamer Madeline at 1 P. M. and returning last evening at 7:30 P. M. The band furnished excellent music from the grandstand and downtown, adding no little to the eclat of the occasion. The representatives of the Army, both on the field and along the lines, proved themselves a clever lot of young men. The visiting team was much heavier than the locals, but the latter showed more training and were faster in their movements. It was a clean, snappy game, thoroughly enjoyed by everyone present.

Halves of 25 and 20 minutes, respectively, were played and while the oval was in play, there was something interesting going on all the time. Caswell won the toss and chose to defend the south goal. Wilmington kicked off and the ball was returned to the 30-yard line by the Army. The soldiers tried around the ends twice and once through the line, the ball going over to Wilmington and then returning to Caswell on its 10-yard line. The soldiers had two downs with considerable distance to make when they tried to punt from behind the goal. Williams blocked the kick and W. Grant fell on the ball for safety. Capt. Smith then kicked a beautiful goal and Wilmington took a considerable boost. The ball went up and down the field for the next ten minutes of play until finally Wilmington had the ball on Caswell's 2-yard line. It looked good for another touchdown, the locals having been making "all sorts of gains around the ends but on the third down, Wilmington tried a mass over left tackle and lost ingloriously. The soldiers punted on the first down to the 35-yard line but the ball was returned by Capt. Smith to the 10-yard line in which territory it remained until time was called.

The second half was rather more interesting than the first, the Army showing up in much better form and making several decided gains through the line. The locals in the first half negotiated a beautiful forward pass, Smith to R. Grant to Parsley, but failed on another in the second half. Hashagen to Tucker. Fort Caswell made a heavy pass for 30 yards. Carey to Johnson in the second half.

Johnson and Welling, VanCleave and Canterbury were perhaps the stars for the Army while Joe Jacobs, Parsley, Smith, Williams, the Grants and Peschau were the favorites of the civilian team. The teams lined up as follows:

Fort Caswell	Wilmington
Rochnick.....	Parsley
Canterbury.....	Grant
Smith.....	Linder
Roman.....	Jacobs
Borch.....	Terry
Vannarsdale.....	Williams
Greenwald.....	Tucker
VanCleave (C).....	Smith (C)
Tabor.....	Grant
Welling.....	Peschau
Begley.....	Hashagen

In the second half Carey took Tabor's place at right half back; VanCleave took Greenwald's position at left end and Johnson took quarter, playing a star game from the beginning. Sutton and Grear played guards in the first half. With those exceptions, the line-up was as above for the Fort.

In the second half for Wilmington, Nine went to left half back in place of Hashagen but Nine was later knocked out while making a beautiful end run and LeMassena relieved him, playing a brilliant game at right tackle, relieving W. Grant, who went to left half back. Newkirk was substituted for Terry at left guard, also during the second half.

The officials were: Umpire, Mr. Preston Cumming, Jr.; referee, Lieut. McCleary, of Fort Caswell; Head linesman, Mr. H. B. Peschau; time-keeper, Mr. Clark; field judge Lieut. Kunneke. The Caswell team was managed by Sergeant Vannarsdale, who hopes to play Wilmington at the fort a week from next Saturday.

Owls' Fall Festival With Smith Shows The Attraction Opens Tomorrow Night.

FOURTH AND CASTLE STREET

Trained Wild Animal Show a Feature Combined Organization to be Seen in This City—Many Free Acts Given.

This week the Owls' Fall Festival, beginning tomorrow evening at 7 o'clock, will make its appearance with Smith's Big Shows the principal attraction, and will hold forth throughout the six days on Castle street, near Fourth.

The different attractions for the festival are expected tonight and there will be a bustle and hurry tomorrow to place things in readiness for the opening. Smith's big shows have been especially engaged for the occasion and these, ten in number, with other special attractions secured will furnish a week of pleasure for the old and the young alike.

It was the intention of the Owls to have an elaborate night parade—a Mardi Gras in nature—but this, for reasons, has been abandoned and the order has decided to run the week on the merit of the attractions secured alone.

If newspaper accounts from cities in which only part of the attractions were shown are to be credited, the combined attractions this week ought to be the equal of any seen here. They include the Electric Theatre, Thama the Half Lady, Museum of Living Wonders, Dodson's Lady Minstrels, Russia, the Snake Girl, and Heberling's Wild Trained Animals.

The trained animal show alone is an attraction well worth seeing in itself. Twenty-seven wild animals including lions, tigers, leopards, bears, etc., will be exhibited daily. Capt. William Kennell, the champion high diver of the world, has been secured and will dive twice a day from a structure 125 feet high into a net below.

Only popular prizes will be charged. Two bands, Seymours and the Kilgus Scotch Band will furnish music. The best of order will be maintained and the Owls want it understood that the attractions are such that ladies and children need feel no hesitancy in attending.

MRS. J. W. CARMICHAEL.

Beautiful Expression Adopted by Daughters of the Confederacy.

At the regular meeting of Cape Fear Chapter, United Daughters of the Confederacy, Thursday afternoon, the following beautiful tribute to the memory of Mrs. J. Wallace Carmichael, only child of Capt. W. H. Northrop, was unanimously adopted with feeling upon report of the chairman of the Lamentation Committee. The report of Miss James was as follows:

"It was the sad but sacred privilege of your Wreath Committee, for the past month to perform the last act of devotion—to be the bearers of a floral offering, with so much love hidden under its petals—to one of our dear members, the beloved Mrs. J. Wallace Carmichael, from the chapter in which she had taken such interest. Her beautiful character waited more sweetly, in her every calling in life, than did the fragrant, countless flowers with which loving friends enveloped her last resting place beside her dear mother—shedding its perfume, and throwing its bright rays upon all she met on the pathway of life, even though only a nodding smile as we passed.

"It must seldom fall to the lot of a teacher, of over three score and ten, to pay that last tribute of love to one whom it has been her privilege to teach in the tender years of childhood. But, oh, so sad, to live to see her cut down in the bloom of beautiful womanhood. Time can never efface from my heart, the loving memory of the tender affection of her manner, combined with a tinge of reverence, to her old teacher.

"It was a sad but sacred privilege to have been on the Wreath Committee at this time. Always at her post of duty with her sunny smile. I am sure I voice the feeling of the Chapter, when I say, that her place cannot be filled, and we will miss her sadly from our midst. Yet, we can never think of her with gloom, for only brightness, and all that is pure, lovely and dutiful can ever attend the memory and name of dear Janie Carmichael.

"Lovingly,
"Chairman Wreath Committee, Cape Fear Chapter, U. D. C."
