OUTLINES.

Yesterday also being a holiday, no market reports are printed in this issue. An official statement is issued from the White House announcing that the President will take no notice of the contempt proceedings in the case of Gompers and others so long as it is pending in the courts. Four Indians were killed yesterday on the reservation in New Mexico. Col. James Hamilton Lewis is going to the Far East on some secret mission. A Missouri judge holds that the monopoly of a business is no violation of the law of that State. A Kentucky man shot his sister to death on Christmas day, then took his own life. It is estimated that 4,000,000 Christmas trees were used in this country this year. Roy Knabenhue made a trip over Los Angeles in his airship for the purpose of amusing the children who were having a Christmas frolic. The resurrection of Dr. Reed, of New Koresch leader, did not come off at Tampa, Fla., Christmas day as his followers expected. The jury in the Beach Hargis case failed to agree and there is a mistrial. The crew of the wrecked schooner Marner Moore has been rescued and taken to Norfolk. Matthew Maloney has established a new world's record in Marathon races for amateurs. Henry Poor, of New York and Boston, member of a well known firm, failed yesterday. No more arrests have yet been made in Pittsburgh, but many other city officials and bankers will be indicted in the next few days. The trip of the Hains to the Bayside Yacht Club came about at the instance of a friend who had invited them to look at property, and, therefore, was not taken with the design of taking the life of Annis, is the declaration of Lawyer Shay in outlining the defense of Thornton Hains in the celebrated trial yesterday. The moving picture shows by virtue of a writ of Supreme Court, will be reopened in New York today; they were closed by Mayor McClellan on the grounds of immorality.

Christmas has come and gone. Next thing is New Year's day—and prohibition.

Those who read President Castro's big talk should remember that he is several miles away from Venezuela.

The Spanish Government has retired Admiral Cervera. We thought Admirals Schley and Sampson did that over ten years ago.

The South is politically awaiting the announcement by President-elect Taft of the name of a man from this section as a member of his Cabinet.

It looks like the Governor of Tennessee disbanded his State Guard too soon if he really wants to put an end to lawlessness in that State.

We do not suppose it will be announced until after the Central African hunt is over how much per capita those animals Roosevelt will have stuffed at Government expense will cost Uncle Sam.

Why should the Republican pleaders in the Western part of the State think they should have all the offices going throughout the whole State? They should "shiny on their own side" of the line.

After reading the testimony of the witnesses in the Tennessee night rider cases, the editor of the Durham Herald is of the opinion that there is a place of punishment in the future for men who commit such crimes.

If that Britisher keeps on telling Roosevelt about his wonderful experience in hunting in Central Africa we are afraid the President won't wait for his term of office to expire before starting on his hunting expedition.

The many telegrams of condolence and congratulations sent to Gompers and his two companions will hardly influence the Supreme Court in declaring what the law is on the questions involved.

We do not see why President Roosevelt should find it necessary to go out of this district for a Judge of the same. There is plenty of material in the same just as good as he can find outside of it, and he should give our people home-rule.

A New York business house has announced that it will establish a laundry for greenbacks for the benefit of its customers. That is a good idea if it will guarantee to give clean money in exchange for the dirty kind that is in general circulation.

If a few more murderers who undertake to work the insanity plea meet the fate of the Connecticut man who was hanged last Tuesday for the murder of his grand daughter that defense in murder trials will lose some of its popularity.

ALDERMEN TO MEET

Special Meeting Monday to Approve of Form of Bonds and Other Matters

CONCLUDE SALE AT 6.

Securities Already Being Engraved and Consumption of Sale Now Only Awaits Signatures and Delivery—Negotiations.

At the request in writing of the required number of Aldermen, a call was issued yesterday by Mayor Springer for a meeting of the Board of Aldermen to be held tomorrow night at 8 o'clock for the purpose of "passing certain resolutions regarding the sale of \$400,000 water works and sewerage bonds to N. W. Harris & Co., of New York."

The resolutions to be passed upon are as to the form of the bond to be issued and certain other formalities, which might have been left over to the regular meeting but for the fact that the Aldermen desire to close up the matter finally as early as possible and to have the proceeds of the bond issue available at the earliest possible moment in the New Year. The calling of the Aldermen together to approve of the form of the bonds and coupons means that they will be available during the present week and it is expected that just as soon as the proceeds are available the Board of Aldermen will conclude the waterworks question at the earliest possible moment. It is likely that the test of the six-inch pipe as to corrosion will be made Monday and that the committee will be prepared by the following Monday night to make a specific recommendation as to the purchase or non-purchase of the present plant with a view to its enlargement and extension. While nothing official is known, it is believed that the city will make an offer of \$140,000 for the plant as it now stands and it is said to be reasonably certain that the company will accept the offer. In conservative quarters, this amount is generally regarded as equitable and the hope is expressed that two parties to the trade will be able to get together on this basis.

The contract was recently awarded to N. W. Harris & Co. to engrave the bonds at a cost of only a little over \$200 from plates already in existence and in this way the committee has saved a considerable sum to the city. The bonds according to the form to be approved Monday night have already been engraved and as soon as these are sent to Wilmington to be signed by the City Clerk and Treasurer and the Mayor, the certificates will be ready for delivery and the money will be paid into the treasury.

The Board of Audit and Finance, it is expected, will be called to meet on Tuesday night to concur in any action the Aldermen may take in regard to the bond form, etc.

DEATH OF MR. B. S. WINSTEAD.

End Came on Christmas Morning After Six Weeks of Illness.

After an illness covering a period of six weeks, Mr. Burt S. Winstead, the son of Mr. A. S. Winstead, of this city, passed away about 9 o'clock on Christmas morning at the family residence on North Seventh street and the news of his death cast a profound gloom over scores of friends and relatives in the city.

Mr. Winstead was taken ill about six weeks ago with typhoid fever and it was thought until several days ago that his condition was entirely favorable, but then he suffered a relapse and he continued to sink gradually until the end came at the hour noted.

Mr. Winstead was aged 20 years, 4 months and 20 days and he was held in the highest esteem by all who knew him. For some time previous to his fatal illness Mr. Winstead was employed as bookkeeper by the Springer Coal Company and he was thought very highly of by his employers.

Surviving the deceased are his father, one brother, Mr. Joe E. Winstead, and two sisters, Mrs. R. E. Blake and Miss Hazel Winstead, and to them the sincere sympathy of many friends will be extended in this hour of their bereavement.

Sad and impressive funeral services were conducted yesterday morning from the First Baptist church by Rev. Fred D. Hale, the pastor, after which the remains were borne to Oakdale and interred, the new made grave having been covered with a profusion of very beautiful floral designs. The pall-bearers on this sad occasion were as follows: Messrs. L. T. Meredith, T. A. Henderson, D. Bornemann, A. Alderman, W. A. Muse, and Thos. Taylor.

Player Rath is Drafted.

There will be local interest in a dispatch last night from Lynchburg, Va., stating that the Lynchburg Baseball Club will likely lose Player Rath, last year with Wilmington. He has been drafted by one of the major leagues but Lynchburg is going to protest and make every effort to hold the young player.

CHRISTMAS POLICE COURT

Forty-Seven Over Enthusiastic Holiday Revelers Fall a Prey to Polices—Over Friday—None of Cases of Special Interest.

An unusually large number of offenders faced the Mayor yesterday, altogether 47 defendants having been placed on trial and sentenced. The municipal court was in session for more than three hours and the attendance of spectators was record-breaking.

In the absence of City Attorney Marsden Bellamy, Jr., the city was represented by W. P. Gafford, Esq.

At the opening of court Mayor Springer stated that he would deal leniently with those against whom the only charge was that of drunkenness and in all such cases the defendants were dismissed upon the payment of costs.

The large majority of cases were for being drunk and down, while there were also a number of disorderly conduct.

Only one defendant, Frank Onslow, was indicted on a serious enough charge to bind over to the higher court, he having been arrested on a warrant charging attempted robbery.

Henderson Hays, of great police court notoriety, was sentenced to the county roads for 30 days for being drunk and down and disorderly conduct.

For disorderly conduct and drunk fines of \$5.00 and the costs were placed on M. Gorman, Leon Gee, Randolph Sanders, Joe Ellerson, Florence Myers, Andrew Smith, Babe Townsend, Joe Farrow and Geo. Ellerbee.

Sentences of 30 days on the farm were placed on Iellie Richardson and Annie Ray, charged with disorderly conduct and Walter Holly was sentenced to the roads for 30 days for the same charge.

AT ST. JAMES CHURCH

Appropriate Christmas Day Services. Children to Give Presents.

The children of St. James Sunday School, will this afternoon, according to their annual custom, take Christmas gifts to the church, which will later be distributed among children less fortunate throughout the city.

Very beautiful and appropriate Christmas day services were held at St. James' on Thursday morning, there having been in attendance a large congregation. The choir rendered a special programme of music and this added greatly to the pleasures of the sacred observance. Bishop Strange assisted in the service and the sermon was delivered by Rev. J. R. Matthews, who is acting as temporary rector of the congregation.

Services at St. James today will be at 11 A. M. and 8 P. M.

THE SALVATION ARMY.

Gave Delightful Christmas Entertainment to Children.

No happier gathering of children could be found than were the 300 little folks who were guests of the Salvation Army at its children's Christmas exercises on Thursday evening. After devotional exercises, which were conducted by Rev. A. D. McClure D. D., pastor of St. Andrew's Presbyterian church, there was an enjoyable programme of songs, recitations and dialogues rendered, after which old Santa Claus distributed gifts to the children, the presents having been taken from two brightly lighted and heavily laden trees.

The event was one of the happiest of the holiday season and it brought pleasure into the lives of many little ones and older folks, too.

EXERCISES MONDAY EVENING

Enjoyable Event by Members of Grace Church Sunday School.

A delightful programme has been arranged for the Christmas exercises of Grace Methodist church Sunday School which will be held tomorrow night, consisting of devotional exercises, after which an offering of provisions and clothing will be made for the children at the Methodist College at Raleigh. The offering will be dedicated with prayer by the pastor, Rev. Thos. A. Smoot and following this all present will adjourn to the Sunday School room where a reception to the members of the church will be tendered by the Sunday School.

Promotion for Wilmingtonian.

Mr. W. C. Montgomery, a well known young man of this city who has been connected with the Metropolitan Insurance Co., in Wilmington, received a fine Christmas present in the form of an assistant superintendency at Canton, N. C., for the same company. The promotion is a reward for his fine record of the past year. The company offers a fine field for the advancement of capable young men and Superintendent Emmart, of this district, takes especial interest in pushing his men forward. The district stood No. 1 for the month of November in the Southern territory.

AFFAIRS OF STATE

Governor at Work on His Biennial Message to Forthcoming Legislative Session.

POLICIES AS AGREED UPON

Two Candidates for Adjutant General of North Carolina National Guard. Two Christmas Accidents in Raleigh—Other Notes.

(Special Star Correspondence.)
Raleigh, N. C., Dec. 26.—Governor Glenn is devoting much of the holidays to the preparation of his message to the General Assembly to convene January 6th. It will review his four years administration briefly and contain recommendations as to future policies in which he and Governor-elect Kitchin agree.

It is said that there are very few and unimportant differences between them as to State policies. The Governor will have his message ready for the printers in a few days now. Mrs. Glenn and Miss Rebekah are here with him and expect to leave for Winston-Salem about January 4th, the Glenn residence there being now ready for them after undergoing extensive improvement, including enlargement and general renovation.

In North Carolina National Guard circles great interest centers now in the appointment of an adjutant general for the administration of Governor Kitchin. General T. R. Robertson, who has served during the administration of Governor Glenn, is being urged for re-appointment by strong friends. There is a strong effort being made for the appointment of J. F. Armfield, now brigadier general of the North Carolina Guard. It is understood that the friends of neither of these gentlemen have as yet gotten much satisfaction out of the Governor-elect. There is to be a meeting of the North Carolina Guard Association Monday at Greensboro to discuss "the good of the service" and there will certainly be some "politics" in the interest of both.

Mr. George W. Norwood, chief clerk to the Secretary of State, has a "disabled" right hand today as a result of joining "the boys" in a fireworks celebration of Christmas. In fact it was almost miraculous that the injury was not far more serious. He had been firing "baby cannon" crackers and one exploded prematurely in his hand lacerating the fingers painfully and giving him a severe shock generally. However, the hand will be all right in a few days. There were remarkably few Christmas accidents hereabouts. A young lady whose name could not be ascertained had her cheek badly scorched and "powder-marked" by an exploding cracker that was thrown by some one in the crowd that thronged Fayetteville street Christmas night.

Some miscreant threw a huge cannon cracker upon the front porch of a handsome residence just being completed in the suburbs of the city and the concussion from it shattered the plate glass in the front doors, broke in the panels and did other damages.

GIFTS TO COL. TAYLOR

Presented by Boys Brigade and the Juniors.

A delightful occurrence on Christmas day was the presentation to Col. Walker Taylor, at his home on Market street, of two handsome gifts with the compliments and best wishes of the Boys Brigade, with whose work Col. Taylor is so greatly interested.

The gift on behalf of the Brigade was a beautiful silver coffee pot, the presentation speech having been made by Captain Wilbur Doshier. The Junior Brigade gave to Col. Taylor a fine chafing dish, Lieutenant Albert Elmer having made the speech of presentation.

Col. Taylor, while taken completely by surprise, expressed his appreciation of the beautiful and useful presents in very feeling words and the members present were made to realize that they had added greatly to the pleasures of Christmas day by their actions.

Dance on Christmas Night.

A very delightful Christmas dance was given at Concordia Hall on South Front street on Friday evening by Misses Reba and Kate Myers, complimentary to the members of their evening dancing class and the large number of young people enjoyed the occasion to the utmost.

The hall was very attractively decorated in Christmas colors, it having made a pretty setting for the joyous occasion, which was the first of a number of pleasant Yuletide social occasions.

In order to advertise a new set of books a representative of one of the largest publishers of New York and London is giving away 40 sets of books. If you are building up your library and will send your address at once to "J." care of Star, you can have an opportunity at this.

SPECIAL MASONIC SERVICE

Saint John The Evangelist's Day to be Appropriately Observed by Wilmington Lodges—Sermon by Rev. F. H. T. Horsfield.

An occasion of more than the ordinary interest for the Masonic fraternity and all visiting Masons, who are cordially invited, will be the special sermon this morning at 11 o'clock at St. John's Episcopal Church, by Rev. F. H. T. Horsfield, of Oxford, N. C., formerly rector of St. James parish, this city, and a member of the order in high degree.

The occasion is St. John The Evangelist's Day and falling this year on Sunday, it is peculiarly appropriate that the lodges join in closing a successful year by spending an hour in worshipping Him, who has showered blessings upon the fraternity. The service is specially under the auspices of Orient Lodge No. 395, A. F. & A. M., and the arrangements have been made by a committee composed of Messrs. H. G. Smallbones, James C. Munds and Jas. F. Sears. All members of Orient and other lodges in the city with visiting Masons are invited to assemble at the parish house, next north of the church at 10:45 o'clock for the purpose of proceeding to the church in a body. The ladies will be conducted to seats in the church immediately upon their arrival.

Rev. Mr. Horsfield arrived in the city last evening and will be a guest of Mr. James C. Munds. He will be pleasantly greeted by many Wilmington friends and will be heard again with pleasure at St. John's Church at night.

CHRISTIAN SCIENCE LECTURE

Member of Board of Lecturership Here Tuesday Evening, Jan. 5th.

The public is cordially invited to attend a lecture on Christian Science by Francis J. Fluno, M. D., C. S. D., a member of the Board of Lecturership of The Mother Church, the First Church of Christ, Scientist, Boston, in the Academy of Music, this city, on the evening of Tuesday, January 5th at 8:30 o'clock. The lecture is without charge for admission and the people of Wilmington generally are invited to hear the distinguished speaker.

Dr. Fluno was a practicing physician in Chicago until 1896, when he became interested in Christian Science. For more than twenty years he has been engaged in the practice of Christian Science healing and teaching, and several years ago was elected a member of the Board of Lecturership of The Mother Church, The First Church of Christ, Scientist in Boston, Mass.

DEATH AT DELGADO

Mrs. Maggie Hobbs Passed Away on Christmas.

Mrs. Maggie Hobbs, the beloved wife of Mr. J. H. Hobbs, passed away at her late home in Delgado village on Christmas morning and the news of her demise, which was unexpected, will be received with sincere sorrow by the many friends of the deceased. Mrs. Hobbs was taken ill on Sunday last and despite the best of medical attention she continued to grow worse until the end came at the time stated.

Sad funeral services were conducted yesterday afternoon from the family residence at 2 o'clock, after which the body was taken to East Wilmington and interred.

Experience With a Sand Spur.

While engaged in practice with a football near his home on Christmas Day, young Mr. Herbert Davis, 16 years old, a son of Mr. and Mrs. Thos. E. Davis, had the misfortune to have a sandspur lodged in his throat which promised to give him much trouble for a time. Dr. A. H. Harris was summoned and later with the assistance of Dr. Thos. M. Green at the latter's office, the obstacle was removed by the use of the X-ray. Young Mr. Davis was getting along nicely yesterday.

Very soon Platt & Hear will be showing the newest in 1909 white goods, embroideries, muslin underwear, fancy wash goods, suits, etc., and they must have room. Balance of Xmas goods, furs, etc., at cost.

WILMINGTON WON

Defeated Savannah in Fine Football Game Christmas Afternoon.

SMALL CROWD WAS PRESENT

Locals Outplayed Visitors at Every Point and Game Was Most Exciting Ever Witnessed Here.

Clearly outclassing the visitors at every point and playing one of the cleverest games of football ever seen in this city, the strong local aggregation defeated the Savannah team in a fierce gridiron struggle on Christmas afternoon at New League Park by the score of six to nothing, by this victory the Wilmington team having brought its season to a close without having suffered a single defeat.

The attendance was not more than 200 and this is said to the everlasting discredit of the sporting spirit of Wilmington people. The game was bitterly contested from the first blow of the whistle until time was called and there has never been witnessed in this city a prettier or more exciting contest. He is said to the credit of the few enthusiasts who were present that they were strong in their support of the locals and that the fine playing of both teams was the cause for almost continuous cheering.

The game was called at 4 o'clock and two 20-minute halves were played. In the first half neither side was able to score despite the most strenuous efforts of the rival players and the use of every style of football, from the straight line rushes and end runs to the more complicated forward pass and frequent punting.

The only score of the game was made early in the second half. Savannah had kicked off to Wilmington's 25-yard line and the local team then began its steady and resistless march for the goal line, which resulted, seven minutes after the play had started, in Grainger being forced over the goal for the touchdown. The playing that resulted in the score was largely line plunges and end rushes and it appeared that nothing could put a stop to the determined march of the locals. With a number of pretty rushes the ball had been carried from Wilmington's 25-yard line to Savannah's 5-yard line, and there, while the crowd was yelling itself hoarse, Grainger was fairly hurled over the visitors' line by his team mates and the game had been won. In another moment more enthusiasm was displayed when Captain Smith kicked the ball fairly through the goal posts, making the score six to nothing.

The visitors then on the next kick off resorted to every kind of play in their efforts to overcome the lead of the locals, but they were unsuccessful, not having been able a single time during the game to make the required distance in the three downs. In the exchange of punts, and kicking was resorted to frequently in the second half, the teams were about evenly matched, but in everything else the visitors were outclassed by the locals.

The game ended with the ball in Wilmington's possession on Savannah's 40-yard line.

Both teams showed fine football ability, and the locals played a star game, every man having been in every play, while the work of Captain Smith, Grant and Grainger was of a sensational order, these players having made frequent gains by brilliant end runs and line plunges. For the visitors the playing and kicking of Mr. Edenfield, the full back was the feature.

The officials of the game were Messrs. Louis Belden and Joe Wilkinson, umpire and referee; Preston Cumming, Jr., linesman and Burke Bridgers, time keeper.

The line-up of the teams was as follows:

Wilmington—Jacobs, c; Terry, rg; Newkirk, lg; Grant, w, rt; Williams, lt; Parsley, re; Grainger, le; Smith, (Capt.) qb; Grant, r, lb; Nine, rb; Peschau, fb.

Savannah—Rosenhof, c; Jacobson, lg; Craig, lt; Doty, le; Dowling, rg; Davis, rt; Donnelly, re; Berban, qb; Edenfield, fb; McCarthy, lb; Almeida, rb.

It is to be regretted that the Wilmington team, after having worked hard throughout the Fall to furnish first-class football to the citizens of Wilmington, on account of the poor patronage accorded, find themselves behind in funds, and it means probably in the future that football will not be taken up with such enthusiasm by those interested in seeing the sport become popular in Wilmington.

Y. M. C. A. the Winner.

The All-College team was defeated at basket ball by the Y. M. C. A. on the court of the latter last night in the building on North Front street, the score having been 18 to 11. The teams lined up as follows: Colleghans, B. Newkirk, centre; B. Houston and R. Houston, forwards; J. Wilkinson and Victor Grainger, guards. Y. M. C. A., Stevens, centre; Hanson and Fales, forwards; Burkhardt and McClelland, guards.
