## MR. R. W. DAVIS HERE

### Addressed Congregation Last Night.

Brotherhood and Covenanters.  
 Mr. R. W. Davis, of Richmond, Va., who is in charge of the Brotherhood and Covenanters work in the Southern Presbyterian Church, arrived in the city yesterday and last night at Immanuel Presbyterian church delivered a practical talk along practical lines on the branch of the church work in which he is engaged. He laid especial emphasis upon the importance of Bible study and of being helpful one to another and was heard by a large and appreciative congregation. Following his address, Mr. Davis held a most interesting conference in the kindergarten room of the church with the pastor and Brotherhood of Immanuel.

Mr. Davis will speak this afternoon at 5 o'clock to the Covenanters of Saint Andrew's Presbyterian Church in the lecture room and tonight at 8 o'clock to the Brotherhood of the First Church in Abbie Chadbourn Memorial Hall. From Wilmington he goes Friday morning to Wallace and will return, leaving for Florence, S. C., to spend Sunday. While in Wilmington he is being entertained by members of the local Brotherhoods and will today be a guest at the home of Mr. R. W. Hicks. He is a strong speaker and a most interesting worker. All should avail themselves of the opportunity of hearing him.

## THE LUTHERAN SYNOD.

### Rev. W. A. Snyder and Mr. J. H. Rehder From St. Paul's.

Rev. W. A. Snyder and Mr. J. H. Rehder left yesterday for Salisbury to attend the meeting of the Lutheran North Carolina Synod, which is being held at Faith church, near that city. These delegates of St. Paul's took with them very gratifying reports, as the work of St. Paul's is in a very prosperous condition. Especially interesting and hopeful is the report from St. Paul's concerning its interest in missions and education. Within the last week St. Paul's provided for a three years' scholarship at the theological seminary at Charleston, which will enable the holder to finish his course at the expense of the congregation. Rev. W. A. Snyder will return in time to conduct the services at St. Paul's on Sunday.

### Cotton Steamers During May.

From information received at the local port there will be several steamers within the next few weeks to load cotton for foreign markets, among the number being the British steamer Tabaristan and the Spanish steamer Eretza Mendi. The latter vessel was recently constructed and has a register of 2,591 tons.

### Negroes Adjudged Insane.

The three colored patients recently taken in custody by the police and placed in jail were adjudged insane by a commission of lunacy yesterday and recommended for admission into the Goldsboro hospital as soon as arrangements can be made for their transfer to that institution.

—The fire department responded to a call yesterday from the garage of the Auto Company, on Second street, where a small blaze originated from some loose gasoline on the floor used in washing off an engine. However, the fire was extinguished with little or no damage before the arrival of the department.

### Several Hundred Will Likely Go.

Much interest is being manifested in the approaching pilgrimage of the Colonial Dames to St. Philip's church on May 5th and it is probable that several hundred from Wilmington will take advantage of the trip which will be on the steamer Wilmington. Members of the society will hold a business meeting at Orton Plantation in the morning and at 2:30 o'clock in the afternoon will proceed to the old church. The public is invited to attend and the fare for the round trip will be only 50 cents.

### Delightful Church Entertainment.

Last evening a most enjoyable and pleasing entertainment was given under the auspices of the young people of the Sunday school, attended by a large number of friends. The programme was composed of musical selections and recitations, together with the "Cross in Flags," which was splendidly given and elicited much praise for those who took part. During the evening a silver offering was taken for the benefit of the piano fund.

### Settled Without a Hearing.

While the civil suit of Luke Davis against the Imperial Mutual Life and Health Insurance Company, was pending a hearing before Justice Bornemann, the plaintiff came to terms with the company without the attorney and the trial set for yesterday was deferred. Davis, in his complaint, claimed that the insurance company owed him sick benefits and was not willing to settle-up according to the terms of his policy. The case is an interesting one and has been continued to May 1st.

### Prosecutor Taxed With Costs.

Lubertha Foy, colored, arrested on a peace warrant sworn out by Dena Hurst, who claimed that she had threatened her life, was given a trial in Justice Bornemann's court yesterday and it was proved that the Hurst woman was the instigator of the trouble and she was taxed with the costs of the action. She became indignant at the decision of the court and only paid the costs after a commitment had been written by the justice to send her to jail.

### Contract Goes to Thorpe & Co.

Bids of two local firms for drainage pipe to be laid on Dock street, between Third and Fifth, were opened Tuesday by the Streets and Wharves Committee. Aldermen French and Bolles, and the contract awarded to Messrs. W. B. Thorpe & Co. # The Theatre

Yesterday was another winning day for the Crystal Palace, as big audiences were in evidence again and the fine bill was thoroughly enjoyed. It can truly be said that the present bill is one of the most pleasing that has been presented during the season at the popular vaudeville house. There is plenty of snap and brightness to the performance and from start to finish there is plenty of merriment. The variety is also fine.

Today the Palace will present a change of bill, which means that commencing with matinee this afternoon and continuing for the remainder of the week all new acts will be seen at the Palace. The little playhouse is also kept delightfully cool this weather.

### Brigado Benefit at Bijou.

Today the big benefit for the Boys' Brigade will be given at the Bijou and large audiences are expected. An especially fine bill has been prepared, the two feature films being "Children of the Plains," a thrilling episode of the pioneer days, and "The Wooden Indian," a comedy offering in which a tramp, a cigar sign, and some old clothes play an important part. Then in addition there will be two other high-class subjects, so that the bill will have both merit and variety.

### The LeGrand is Inviting.

Four new and up-to-date pictures will be offered today at the popular LeGrand. This theatre is growing in popularity each day and the managers are giving the public the very best of service. The house is one of the best ventilated in the city and is thoroughly disinfected daily, which is a strong point with those who have regard for health and happiness. The daily subjects are the best to be had anywhere.

## REPLY TO MR. ROUNTREE.

### Rev. Father Dennen States Position of Catholics Towards Education.

(Communicated.)

Editor Star:—In your issue of April 28th, there appears an article from the chairman of Board of Education emphasizing the importance of the coming election for public school tax. In his article he says "On my return to the city I have reliable information, incredible as it seems, that there is a determined though secret effort to defeat this election, and I am told that there are three classes of people who are fighting it."

"1st. Those who from allegiance to a wornout political theory, or in obedience to ecclesiastical authority, oppose the principle of public education and insist that there should be no schools save private schools and church schools."

So as there will be no misunderstanding my position, I wish to say I am taking issue with Mr. Rountree's expressions as above quoted, and am not taking issue with the cause he has espoused.

With this statement I challenge Mr. Rountree to publish his "reliable information" that there is a class of people in this community who "in obedience to ecclesiastical authority oppose the principle of public education and insist that there should be no schools save private schools and church schools." As far as I know we are the only denomination in the city having our parochial school. Mr. Rountree's article then places the Catholics of this community in a false position.

For the information of the chairman of the Board of Education, I will state the position of the Catholic Church in regard to public schools.

The church is not opposed to "the principle" of public schools. The church supports parochial schools for her own children and urges Catholic parents to keep their children in attendance in these parochial schools. The church nowhere interferes or opposes public schools. She controls her own people, and this is her right. Besides supporting their own school the Catholics of every community pay their taxes for the benefit of public schools.

I consider the cause too noble for the chairman of the Board of Education to descend to the level of those who appeal to religious bigotry.

C. DENNEN,  
 Rector St. Thomas' Church.

### New Bath Houses at Beach.

Arrangements are being made by Mr. A. A. Nathan to install a complete system of modern bath houses at Wrightsville Beach, to be finished and in readiness for the summer season. The location will be just south of the Ocean View hotel. Besides this he has also decided to have a number of amusement enterprises on the premises.
