-Fayetteville, April 27.-Mrs. Carrie McDonald, from whom a divorce was granted yesterday in the Superior Court to her husband, Don McDonald, who last spring shot and seriously wounded Henry Bruner, on account of intimacy with his wife, was today arrested on a peace warrant for threatening to kill Mr. McDonald and her three children who had been awarded to their father and was committed to jail in default of bond. Judge Adams yesterday afternoon issued a writ of habeas corpus commanding the production in court of the three children, whose whereabouts Mrs. McDonald refused to disclose. After an extended search by the officers it was reported to the court this morning that they could not be found, when another writ was issued for Mrs. McDonald and her mother, Mrs. Victoria Burney, commanding the presence of the children at 4 o'clock this afternoon, but at the appointed hour they were not produced.
