WHOLE NO. 13,034.

President Taft's Revenue Scheme Taken up By Senate.

Unwittingly Declared That He Favor ed Tax on Corporations to Defeat Income Tax-Tillman's Tea Tax Defeated.

(By Wire to the Morning Star.)

Washington, June 29 .- With the tariff schedules disposed of and the door of amendments upon them, the Senate today finally entered upon the Missouri officers. consideration of the income and corporation tax questions as connected grand larceny charge was reached with the tariff bill.

question of the taxation of incomes. the subject received more or less incidental attention while the tea provision was under consideration and it was during that stage of the proceedings that the most interesting occurrence of the day took, place. This was the announcement of the real attitude of Chairman Aldrich, of the Finance Committee, towards the corporation tax provision, which he had introduced at the instance of the Presi-

It had for some time been whispered around the Senate corridors that ing the article. the Rhode Island Senator had become bill but even the Senators intimated the injunction of secrecy by stating his own position, which was in accordance with the rumors. He spoke in response to a question from Senator Clay and in so many words confessed his advocacy of the corporation tax as a means of defeating the income tax. He added another reason, which was that he thought for the next year or two there would be a deficit in the treasury receipts which he was willing to have made good by service performed, he thought the

Technicalities do Not Avail Mai. Breese and Others Charged With Wrecking Institution-Trial Set for July 26th.

THE ASHEVILLE BANK CASES I

(By Wire to the Morning Star.) Asheville, N. C., June 28.-In the U. S. District Court here Judge Newman this morning overruled the motions made by counsel for Joseph E. Dickerson, W. H. Penland and Major W. E. Breese to quash the indictment for conspiracy to wreck the old First National Bank of this city and set the

cases for trial July 26th.

Judge Newman's opinion in the case is very lengthy and covers every contention made by the defendants' counsel. The defense based its motion on two grounds, first, that the grand jury had not been properly drawn in that the venire had called merely for a jury, and, second, that the bill of indictment had not been properly re-

The court found that the grand jury "A flying machine is like a horse" which returned the indictment against said Wilbur Wright after the trial. "If the defendants marked "true bill" was its new you have to get used to it properly drawn, that the indictment before it will go just as you want it was returned into open court with to.
