FUNERAL OF MRS. MYERS

Last Sad Rites at St. James' Church This Afternoon.

The funeral of Mrs. Lottie deRosset Myers, whose sad and unexpected death occurred Monday evening, will be held from St. James' Episcopal Church at 5:30 o'clock this afternoon and the interment will be in Oakdale cemetery. The services will be conducted by Bishop Robert Strang, assisted by Rev. Wm. E. Cox, rector of St. John's Church, and Rev. Dr. Francis M. Osborne, of Charlotte. Many children and grand children of Mrs. Myers in various parts of the country have arrived to attend the funeral. Others will arrive today in time for the service.

The Star is indebted to a friend for the following very pretty tribute to the memory of Mrs. Myers:

"When a really good, faithful woman, a veritable 'Mother in Israel,' passes from this life to the better land something more than the mere announcement of the fact is demanded by the sad event.

"Mrs. Myers, whose sudden and instantaneous death shocked her wide circle of acquaintances and friends, and brought inexpressible grief to her relatives, was a noble example of true womanhood. Kindly and charitably disposed towards every human being, cheerful in adversity, and sweetly patient under affliction, sympathetic and helpful to the utmost extent of her ability to all who asked or needed her service, brave and independent in spirit, and devoted to every requirement of her religion, she was indeed an exemplar of the highest type of true womanly virtue and fortitude.

"These few lines are written by one who knew her from the days of her bright and attractive girlhood, when she was a great help to the last hour of her life, and who will cherish her memory always. "A devoted wife and mother, a humble Christian, an unwavering friend, she has taken up her habitation in the undiscovered country, and her works do follow her."

NEW PLACE OF AMUSEMENT.

Bath Houses and Dancing Pavilion at Greenfield Mill Pond.

Contractor W. J. Spooner is erecting for Messrs. Carter & Brice a large dancing pavilion and a system of bath houses at Greenfield Mill Pond, a short distance from the terminus of the street car line in the southern part of the city. Mr. Spooner hopes to have the buildings completed in about ten days when they will be thrown open to the public. The purpose of Messrs. Carter & Brice, it is stated, is to allow the free use of the large dance hall and to make a small charge for the use of the bath houses. There will be ample space in the dancing pavilion for refreshment parlors which will be opened as soon as the building is completed.

It is thought that the new amusement resort will be largely patronized as the need of just such a place has been felt for a long time by the people of South Wilmington.

Table with columns: Team, Score. Rows include Wilmington (200 100 0011) and Raleigh (013 000 0000).

Summary: Two-base hits, Hemp and Wright; three-base hits, Smith and Rowe; base on balls, Fulenweider 3, by Levy 3; struck out, by Fulenweider 7, Wysong 1; umpire, McLaughlin; time 2:10; attendance 700.

Fayetteville, N. C., June 29.—Smith had things his own way this afternoon, while Sexton, formerly with Wilmington in the box for the locals, was hit hard, Fayetteville being defeated 9 to 2. James, of the visitors duplicated Thorpe's performance of the day before by smashing a home run with a man on first in the fifth inning. James' home run was the fourth on the local grounds in four days. Score: Rocky Mount...002 021 310—9 10 2 Fayetteville...100 000 010—2 3 4

Game at Wilson.

Goldsboro, N. C., June 29.—Wilson bunched hits at the same time Goldsboro bunched errors and Forbes kept things moving along by seven passes to first and three wild pitches, giving the visitors ten runs today. Anderson pitched a good game and had perfect support, thus the best the locals could do was to get caught at the plate. Features, the batting of Yerkes and Mills. Score: Wilson...223 000 021—10 9 0 Goldsboro...000 000 000—0 5 7

"GRUNTS."

We won—but it was a 100-to-1 shot. Captain Dick appears to have been right there with the purling; to the extent of twice.

Swats for extra bases were as frequent as side wagers in a darkey crap tournament.

Wilson turned the trick on Goldsboro all right, Anderson applying about ten coats of kalsomine to those same Giants.

Glad we won the game, for the very simple reason we need it, and need it bad, but really see no reason for burning red-fire.

Levy mounded very satisfactory after ascending the rubber, and allowed but two hits. Why was he not permitted to commence the affair?

Running Wysong in to slab after he had so unceremoniously taken leave of things underme the day before, is, we confess, slightly some distance beyond us.

Why can't Hemp be placed in the field? He doesn't shine at short, and is by no means a safe man there; but his stick-work is good, and improving all the time, and it seems a shift could be arranged.

Orie Brodie starred with the club for Wilmington, and Hemp was a close second; while Captain Smithy trailed one to the suburbs for three stations. For Raleigh Haas was the Kandy Kid.

The Fayetteville Observer says: "Sexton, the A. & M. pitcher, who has been playing with Wilmington, joined the locals today. He is quite an acquisition to our Strong Staff of mound-men." Please linger on the black letters. To help the Highlanders strong staff of twirlers we simply hobbled ourselves. Ask the Fans!

Local bugs will be interested to know that Bussey won his game for Richmond yesterday with Roanoke, 4 to 2, Richmond taking first place again in the percentage column. Bussey allowed but four hits and his work on the slab was gilt-edged. This League has "never looked quite the same" without Bussey.

SOUTHERN MAP COMPANY.

New Revolving Sun Print Frame Just Installed in Work Rooms.

One of the busiest of the many busy sections of the big Southern building at Front and Chesnut streets is the headquarters of the Southern Map Company, on the fifth floor, which recently opened for business in this city and the success of which has been phenomenal. The company has recently installed a revolving sun print frame which has been extended from one of the western windows of the offices and work rooms and from which the company is now turning out a very high grade of blue and brown prints that have been quite favorably spoken of by those in position to judge of such matters. This is in addition to the very elaborate machine also in operation in the work rooms for making prints from electricity. The new frame is now in operation and both machines are kept quite busy with orders from architects, builders, surveyors, engineers and others requiring work of this kind in the two Carolinas.

PARSON WEDS THE GIRL

Decided it Would be Better Than Languishing in Jail.

Charged with seduction under promise of marriage Rev. J. R. Fagan, colored, pastor of Ebenezer Baptist Church and manager of an insurance firm, was tried before Justice George Harris at 5 o'clock yesterday afternoon, and at the conclusion of the hearing he decided to marry the girl he had wronged rather than go to jail in default of \$300 bond. The ceremony was performed by a colored minister by the name of Colin, the trial justice refusing to make the couple man and wife.

The prosecution consulted Justice Harris yesterday morning with a view of withdrawing the warrant and stopping the proceedings, but the magistrate steadfastly refused, stating that he would not compound a felony by allowing parties to come into his court, swear out a warrant and then hush up the matter. Again at the trial an attempt was made to "pay out," and the justice made it plain that his court was run according to the statutes and provided. He said that he had no jurisdiction in the case and that he could do nothing less than send the matter to the Superior Court unless the parson wanted to marry the girl, when the action would be dismissed.

DEATH OF MISS FARROW.

Young Lady Passed Away Yesterday After Lingerng Illness—Funeral.

The death of Miss Maie Augusta Farrow, which occurred yesterday morning at 8:30 o'clock at the home of her brother, Mr. H. F. Farrow, No. 406 Brunswick street will be learned of with sincere sorrow by her many friends and those of the family. She had been in ill health for some time and little hope had been held out for recovery by the members of the family.

Miss Farrow was a daughter of Mrs. Augusta Farrow and the late W. C. Farrow, and was in the 24th year of her age. She was a devoted member of St. Andrew's Presbyterian church and a woman with a lovable disposition. Besides her mother there are surviving three sisters and one brother, Mr. H. F. Farrow, and Mrs. John J. Johnson, of Wilmington; Mrs. E. W. Stone, of McDonald, and Mrs. D. B. Sellars, of Lakeland, Fla. The funeral will be held this afternoon at 4 o'clock from St. Andrew's Presbyterian church, conducted by Rev. A. D. McClure, D. D., the pastor. The remains will be interred in Oakdale cemetery.

FOURTH OF JULY.

Mr. W. M. Cumming Sounds Note of Warning Ament the Celebration. Editor Star:—A great deal is always said in the papers after the 4th of July about the accidents and loss of life celebrating in a foolish way the great anniversary. Would it not be a good idea to sound a note of warning before the 4th this year? It might save somebody's life or limb. Yours truly, W. M. CUMMING.

HELD FOR RECORDER'S COURT

Louis Carter Given Hearing Before Justice Bornemann Yesterday.

The charge of assault with deadly weapon against Louis Carter, colored, accused of shooting and dangerously wounding Thomas Reynolds, colored, at the home of Lillie Evans on the night of May 21st, was investigated in Justice Bornemann's court at 10 o'clock yesterday morning, and the magistrate found sufficient evidence to hold the defendant for the Recorder's court today, being placed under a \$100 bond for his appearance.

Reynolds testified that he was shot by Carter as he entered the home of the Evans woman to see his wife, who left him that day, following some disagreement. Carter, Minnie Reynolds and Lillie Evans swore that Reynolds shot himself; that Reynolds, upon entering the house, fired the only shot that was heard in the building that night. From the testimony of the defendant's witnesses the justice inferred that they wanted to tell him that Reynolds fired at the wall on the opposite side of the room and that the bullet rebounded, striking him in the right side. The justice frankly told the witnesses that he did not believe their story and showed his doubt more plainly when he sent the case on to the higher court. Geo. L. Peschau, Esq., represented the defendant.
