THE VICTORY.

No man can estimate the vastness of the victory the true men of the State won for civilization, the white race and an honest, economical government, on Tuesday. The President of the United States, made so by the murdering of the man who was duly elected by the Constitutional methods, prostituted his high office for the meanest and most corrupt ends.

"If I forget thee, O Jerusalem, let my right hand forget her cunning!" The Radicals have succeeded to a very great extent in driving from the seas all American shipping.

If the Democrats had control of the Government during the next ten years we believe that before that time expired the American vessels would regain the ascendancy and by considerable odds.

There is said to be a sudden impetus given to ship-building in some of the New England shipyards. They must expect a return of the Democrats to power.

THE STATE ELECTION.

It has endeavored earnestly to do its duty. It has given line upon line, oft repeated, oft enforced. We give our two able Senators great credit for their services.

Many others have done most marked service. The candidates for the U. S. House, as well as some members of the Legislature, have made able and effective speeches.

One more remark. The Democratic party has wonderful vitality. It has been defeated often. It has been flattened and bent and almost rolled up.

Washington Press: We have the particulars of an unfortunate occurrence which took place on North Creek on Monday 28th October. Henderson Respass, colored man living on the place of Mr. George J. Jordan in that section, was shot and killed by Mr. Jordan on the 28th. The evidence as developed at the coroner's inquest exonerated Mr. Jordan from any criminal act. They found that the killing was justifiable as in self defence.

Winston Sentinel: Several slight frosts, but not sufficient to ripen the rabbits. A new Baptist church, thirty-six by fifty-five feet, is being erected near Bethania. Several of our brick masons left on Monday morning to commence work on the building. High Point has been selected as the place for the erection of the North Carolina Yearly Meeting House, for the Society of Friends. Dr. W. A. Jones has given ten acres of land to the citizens subscribed \$1,400 for that purpose.

Clinton Caucasian: The many friends of Rev. J. L. Stewart will join with us in our deep regret to learn that he met with quite a serious accident on last Sunday afternoon. He was going to Mt. Zion church, near the town of Bethania, to Mr. Julian Killebrew, when he fell from his horse and sprang forward for a run. Mr. Stewart, in holding the lines, was drawn from the buggy and in his fall had his left collar bone broken.

Greensboro Patriot: A big while killing frost this morning. The case of the Western Railway and Cape Fear Railroad Company, (over the Cape Fear and Yadkin Valley Railroad) involving \$250,000, was argued before the Supreme court of the United States on Tuesday last, Hon. S. P. Phillips and J. W. Hunsdale, Esq., appearing for the plaintiffs in error, and Hon. A. S. Merriam for the defendant corporation.

Williams, Esq., on Monday, November 6th, James Knight and Manning got into a quarrel, and Knight struck Manning in the mouth. NEW YORK. The Associated Press—Fire and Loss of Life on the Steamer. (By Telegram to the Morning Star.) New York, Nov. 8.—Mr. J. C. Hueston resigned the General Agency of the New York Associated Press, and Hon. Erastus Brooks was chosen to fill the vacancy thus created. The building, 243 and 245 Pearl street, extending through to Cliff street, and owned by the Carey estate, caught fire, and through an explosion in the paint, oil and varnish store of Isley Doubleday, on the ground floor, about 10:30 this morning. The roof body of Mr. Doubleday, in error, nephew of Mr. Doubleday, was found in the store an hour later. The firm was introducing an electric light into the building, and it is supposed a spark from the wire struck a quantity of varnish on the roof and caused the explosion. One other person was badly burned by an explosion of varnish. The building was gutted and the loss will probably reach \$50,000. Col. Richard Arnold, of the United States Army, stationed at Governor's Island, died suddenly this morning.

A Valuable Addition. Because it is beneficial to the scalp and adds to personal beauty by restoring color and lustre to gray or faded hair, is why Parker's Hair Balm is such a popular dressing.
