Gen. Lee at Tampa.

TAMPA, FLA., May 25.—Major Gen-eral Fitzhugh Lee, accompanied by Colonel Curtis Guild and his staff, ar-rived in Tampa to-night and established temporary headquarters at the Tampa Bay hotel.

General Lee had nothing to say on the general situation. "The fact is," said he, "I have not

seen a paper for two days and don't know what has happened. All I know is that I was sent here from Washing-ton to take command of the Seventh army corps.

General Lee and General Shafter had quite an extended conference during the evening, in which the situation e was fully explained to General Lee. To morrow will be spent by the latter in inspecting the different camps of the volunteer troops in and around Tampa, all of which regiments will be embraced in the Seventh army corps. Reports were current to-day that an army of invasion was about to start for Cuba and Porto Rico. It was based on the conjecture which has been current of late, but officials in authority give it no endorsement, as it was manifestly contrary to public policy to give any advance information of such a movement even if it were contem-plated.
