There was a meeting of the Board of County Commissioners yesterday afternoon from 2.30 until 4.30 o'clock. Possibly the most important action taken by the Board was the increasing of the county appropriation to the City Hospital \$500, more than has heretoforcine paid, so that now the county will pay \$2,500 to this institution. Aside from this, little other than routine business was transacted. Commissioners present/ were Chairman Moore and Commissioners Boatwright. Barry, Cowan and Alexander,

Mr. J. Sternberger was granted license to retail spirituous liquors at 106 Princess street. Mr. Thos. H. Platt was elected county standard keeper and Mr. William Hansley was authorized to survey land entered by George W. Grady in Cape Fear township. The assessment on the eastern part of lots 1 and 2, block 144, owned by J. M. Mayland, was reduced from \$1:600 to \$300.

C. W. Norwood, as Register o Deeds, reported seven marriage li censes issued during September up to the 26th, and \$6.65 paid to the county

Messrs. Harden and Brown were allowed to remove their liquor license from Wrightsville beach to 117 Princess street, and J. H. Kulhen was granted license to sell liquor at the corner of Sixth and Swann streets, in the rear of Martin Hathgen's store.

The matter of an error in the registration of Mrs. Mary Ann Bonham's property in Harnett township was referred to County Attorney W. B. Mc-Kov with power to act.

Petition of C. W. McClammmy for reduction of tax assessment was referred to the county attorney. Mr. Andrew Smith's application for

reduction of levy on creosote property was not allowed. The contract for fencing the County

Home was deferred. Dr. McMillan reported 188 patients treated during September and 90 visits paid to 82 patients at their homes. He reported very little sickness among the poor of the county.

The chairman of the Board was voted of all fees.

In discussing the hospital and the increased appropriation Chairman Boatwright of the Hospital committee. told in detail the changes being made there under the direction of Mr. Wertenbaker of the Marine Hospital, all of which are thoroughly familiar to STAR readers. When the board adjourned it was announced that the Finance Committee would meet Thursday at 8 P. M., and the Hospital Board Wednesday afternoon at 3 P. M.

MECKLENBURG CAMPAIGN.

Bellamy Covered the Entire County and Impres sed the People With His

Earnestness.

[Charlotte News.] Hon, John D. Bellamy closed his campaign in Mecklenburg county last night by speaking to a large audience. of mill operatives at Mr. R. M. Oates' hosiery mill. The audience was very attentive and applauded the speaker

Mr. Bellamy has about covered the entire county. Wherever he has been he has impressed the people with his earnestness and there is no question but what he has not only gained votes for himself, but has helped along the county ticket.

Next week he opens the campaign in Columbus county and the week following he will return to this section of the district and make a thorough Mr. Bellamy is a vote winner. He

gets right down among the people and preaches Democracy of the clean cut type. He does not make any attempt vilify his opponent, but prefers to deal with the issues of the day, feeling sure that in presenting them to the people, he is doing his duty as a citizen and as an aspirant for a high and nonorable office. He has placed his trust in the people of Mecklenburg and the News feels sure that his reward will come on election day. Should Mr. Bellamy return to Mecklenburg, his coming will be welcomed

ANOTHER WANDERER RETURNS.

A Brunswick Populist Sees Nogro Insolence in Wilmington and Is Disgusted.

WINNABOW, BRUNSWICK CO., N. C., September 30th, 1898. Editor Wilmington Star:

In 1892, thinking that certain re forms were necessary, and being persuaded that the Populists would give them to us, as they promised to do, I The Township Registration. with them and so continued to do in 1894 and 1896. The Populists having fused with the Republicans, I now see that I, as well as other good meaning men, have been working against good government, and for the single gold standard and negro supremacy. In future I shall vote the white man's ticket, which is to be found in the Democratic party, and I call on my friends and all other good citizens in the Populist party to come with me into the Democratic fold and held to undo the wrong that we have done. I have been thinking of taking this step for some time, and on a recent visit to Wilmington I saw enough of negro rule and negro insolence to

fully determine me. Respectfully yours, P. G. SELLERS. CASTORIA.
The Kind You Have Always Bought ASSAULTED BY A NEGRO.

Mr. Prank Green at Mill's Livery Stable Attacked Sunday Night.

Late Sunday evening Mr. Frank Green, who stays at Mr. Frank T. Mill's livery and feed stable, had a difficulty with two negroes. The occurrence is significant in that it is another illustration of impudence that is frequently manifested by negroes under the present regime. Two negro men stopped at the stable and asked some boys for a match. As they started to move away one of them asked Mr. Green if he wanted any trouble. Mr. Green noticed that they were drunk and told them to move away from his place. One of them cursed him and picked up a chain to assault him. However, seeing that Mr. Green had gotten a stick

they made off up the street. Soon thereafter they came back and the one who had made the assault told Mr. Green that he wanted to apologize and "shake hands and be friends." Mr. Green told him to go away and behave himself and he would not molest him; but that he was not shaking hands with negroes. The fellow loitered about the door for a few moments longer and catching Mr. Green off his guard suddenly struck a blow at his head and ran away. Mr. Green chased him some distance but some of the negroe's pals joined him at the foot of Princess street and having no weapon to defend himself he returned to the stable. The names of the negroes are known and it is probable that there will be a sequel to the affair.

DEATH OF MR. ATLAS J. GRADY.

At His Home In Burgaw at the Age of Eighty-four.

Mr. Atlas J. Grady, once a resident of New Hanover county and for a long time County Commissioner and Justice of the Peace of the same county, died suddenly yesterday morning at his home in Burgaw at the advanced age of 84 years. For several years before the war, Mr. Grady was identified with Wilmington's business interests as a member of the firm of Murphy, Hyer & Co. His aspirations in life have only been those of a quiet, honest man, striving to do his duty to his fellow man and to his creator. He was an uncle of ex-Congressman B. F. Grady, of the Third Congressional district, and also of Mr. R. G. Grady, a stated salary of \$50 per month in lieu attorney at law, of Burgaw, and Mr. L. V. Grady, a member of the Wilmington bar. He leaves only one child, Mrs. W. T. Bannerman, of Burgaw, who has the sympathy of many friends in the irreparable loss which she has suffered.

The funeral services will take place at Burgaw to-day and Mr. L. V. Grady, of this city, will go up this morning to attend.

The deceased is well remembered in Wilmington by many of the older citizens, who will hear of his death with much regret.

Populists Coming Back to the Democratic

Party in Large Numbers. The STAR received the following letter yesterday:

SHALLOTTE, N. C., Sept. 30, 1898. EDITOR OF WILMINGTON STAR: We, as voters of Brunswick county, N. C., joined the People's party in good faith and voted with them until we found that they had made merchandise of us and traded us off for the negro. Now we are white men and believe in white government. The Pops can take Rads and negroes and go with them; as for us we are going with the white men.

Butler's Speech at Dunk About Two Hundred Populists and Regross Present

[Special Star Telegram.]
DUNN, N. C., Cetober L. Bender
Marion Butler spoke here to day to crowd of about four hundred. posed of about two hundred Populists and negroes, the balance being Democrats. The Democrats expected to see the Populists of Harnett, Sampson, and Cumberland counties out in full force to hear this noted Populist leader, but the Pops, with the negroes, numbered only two hundred. Butler's speech was bitter and abusive. He charged the failure to pass good laws to the Democratic minority of

the last Legislature. Overhauled and Repainted.

The steamer A. P. Hurt, which plies between here and Fayetteville, has been overhauled, repaired and painted. She arrived in port yesterday aad was admired by all who saw her. Her house is a beautiful white and the trimmings are a handsome yellow. The work was done without loss of time, most of it while the Hurt was making her regular trips. Capt, Sandy Robeson is in command of this boat. She had a full cargo of freight yesterday and a fairly large passenger list. She left for Fayetteville yesterday afternoon at 6 o'clock.

The white men of Harnett Mason boro, Cape Fear and Federal Point townships must not forget there is to be an entirely new registration of voters. There are only three more Saturdays for this important duty. October 8th, 15th and 22d are the dates, and the hours are from 9 A. M. until 4 P. M. If you fail to register you will lose your vote.

Too Much Negro Rule in Wilmington for People Who Have Money to

Invest. The effect of negro rule in a comnunity may be seen from the following, which is part of a letter written to gentleman in Wilmington by Mr. G. Fred Ausland, of Cambridge, Md., one of a party of real estate men and capitalists who came to Wilmington on a prospecting tour: "While in Wilmington we were very comfortably located. We spent

part of Saturday, August 13th, at Ocean View, where the spectacle of a burly negro fighting a white policeman, and defying everybody, was witnessed by myself and Mr. Ortensten. Sunday, August 14th, we spent a very pleasant day at the Hanover Club, Carolina Beach, and I must say that we thought your white population charming and your city and surrounding country all that could be desired; but the power of the negro was more than we could stand. With a feeling of regret, nay of sorrow, I saw a fine country, with the greatest possibilities, ruined of its prospects, through the baneful influences of a race that few white men and no women can trust. You have negro police in your city, and we would absolutely refuse negro pro-tection for our families. We saw thousands of acres of land lying waste, but 1 would not advise any of my clients to settle on them with the negro as a power in your State. "We found the same deplorable condition in Weldon (colored postmaster, etc.,) Wilson, and all over the

Mr. Maxey L. John, of Richmond county, who was in the city yesterday, brought most encouraging news

INCENDIARY UTTERANCES.

Geo. H. White, the Colored Congress man, Tells Colored Men to Go to the Polis With Guns.

Geo. H. White, the negro Congress man of the Second district, made speech in Northampton county a few days ago that completely discounts his rank utterances here at the Republican State convention. A gentleman whose veracity an

TRYING TO BUY CROATANS.

Leaders of the Negro Party Hope to Bu Them at \$1.00 per Head. [Lumberton Robesenian,] Dr. Norment, S. A. Edmund and

iff Hall spoke to the Croatans at Umon Chapel last Friday night. The dews of war were in evide retold, and Hector Locklear left the meeting with \$150 to \$175 in his pocket. For the money Hector, our informant says, is to deliver 150 to 175 Croatan votes for the fusion ticket—or one vote for every dollar paid him. We do not believe that the Croatan voters of the county are so easily corrupted and if their votes are purchaseable, which we doubt, they are worth more than a dollar each.

ONE THOUSAND DOLLARS.

Golden Opportunity for Those Who Think O. H. Dockery Will be Elected to Congress.

For the special benefit of Republican financiers, the editor of the STAR is authorized to offer the following opportunities:

One Hundred Dollars that John D. Bellamy will carry the county of Mecklenburg. One Hundred Dollars that Bellamy

will carry the county of Union. One Hundred Dollars that Bellamy will carry the county of Anson. One Hundred Dollars that Bellamy

will carry the county of Richmond. One Hundred Dollars that Bellamy will carry the county of Robeson. One Hundred Dollars that Bellamy will carry the county of Columbus. One Hundred Dollars that Bellamy will carry the county of Pender.

One Hundred Dollars that Bellamy will carry the county of Brunswick. One Hundred Dollars that Bellamy will carry the county of New Han-

One Hundred Dollars that Bellamy will be elected. All the above propositions to be ac-

cepted as a whole. As Martin, the Fusion candidate for Congress in 1896, carried all of the nine counties in the Sixth District, except Anson-and lost that by only 110 majority—and had a majority in the District of 5,006, the above propositions should receive the favorable consideration of Republican investors.

A Large Crowd Present and a White Gov-

In the forenoon L. V. Grady, Esq., of Wilmington, addressed the crowd, which was composed of voters of all the parties. He spoke for nearly an hour and made a good speech.

In the afternoon Jno. D. Bellamy delivered a fine speech which made a splendid impression. A White Government Union was organized with 108 members, and the working element of the Democratic party in that section is beginning to get itself in shape for a victory this Fall.

Judge Ewart Holding Court-Pritchard Speak in Greensboro-A Flim-Flam Game.

> _ [Special Star Correspondence.]

RALEIGH, N. C., October 5, Judge Ewart is holding his first Fedral Court at Greensboro this week. Senator Pritchard is on his way East, campaigning now. He speaks at Greensboro to-night.

The Mecklenburg decision may work two ways. He never came back and the clerk finally opened the envelope and found it empty. The man was arrested in Norfolk and to day his wife came to Raleigh and began interceding in behalf of her husband. extent of the law.

Northern and Western Residents of Jacksonville, Fla., Outraged at Appointment of a Negro Collector.

By Telegraph to the Morning Star. JACKSONVILLE, FLA., October 5 .-Considerable feeling is openly dis-played here by the appointment of a negro to the important position of collector of internal revenue. The feeling is not confined to any particular class. The population of Jacksonville is made up largely of Northern and Western people. Many have influential connections all over the country, and a large per cent. of the property is owned by them; therefore, the sentiment cannot be attributable to a distinctive Southern prejudice regarding negro appointments to Federal ices. The community was specially loyal in support of the administration during the war; the local press defended it against yellow journalism and after the war demanded fair treatment for Alger. Surprise is expressed by men in all walks of life why a negro should be placed in such an important office when there are hundreds of white men who are loyal Republicans

quite competent to conduct so important an office with credit to the dministration. Men here, influential in affairs and staunch Republicans, think that so far

as the general effect in the South is concerned, that it is very inopportune to raise the question again.

BELLAMY IN COLUMBUS.

He Will Make Three Speeches in That

County This Week. John D. Bellamy the white man's Democratic candidate for Congress, will address the white men of Columbus county, at the following times and places:

At Evergreen, in Tatom's Township, Friday, October 7th. At Cerro Gordo, in Fair Bluff

Township, Saturday, October 8th. Turn out, white men of Columbus. and hear the able champion of your rights. Ladies specially invited to

Rocky Mount Butler spoke to about four hundred people at Lumberton Monday. Of these, two hundred were Populists, including many who will vote the white man's ticket. Butler cannot attract the people as he once did. His speeches now are said to be characterized by low and villainous abuse of Democrats. He is doing what he can to aid the negro party, but it will go for naught. The negro party in North Carolina is doomed.

Mr. J. D. Allred, a Republican of Randolph county, didn't believe the stories told about negro office holders in Raleigh and in the public institutions, so he went to see for himself. He saw, and went back home a thoroughly converted man, who will henceforth vote the white man's ticket.

In Georgia, too, many Populists have repudiated their discredited leaders and returned to the Democratic party, as they are doing in North Carolina. The fact is, a great many of them never felt right comfortable after they left the Democratic party.

If white people prefer negroes in office to white men in office all they have to do is to vote that way on election day. This is a free country. Relief in Six Hours.

Three Doctors in Consultation.

From Benjamin Franklin. "When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Incitnation, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken." When you have a bad cold Dr. In-

clination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restorin the system to a natural and healthy condition. In the afternoon the more active futures further advanced 2 to 3 points, with the mar-
