Developments of the Day in Washington Regarding the Chinese Question.

INTERVENTION IS JUSTIFIED.

Foreign Ministers and Their Guards Were Ordered to Leave Peking by the Chinese Government—Given Only Twenty-four Hours Notice.

WASHINGTON, June 27.—The developments of the day respecting China were important and interesting.

The Chinese minister's report of the departure of the foreign ministers and their guards from Peking greatly increased the confidence in the imperial government.

OMINOUSLY SILENT

on that point and although the minister maintains almost obstinately his confidence in the imperial government.

Hot meals and cool cooks

You'll not need to regulate your cooking by the thermometer when you get a Wickless Blue Flame Oil Stove. On the hottest days you can cook whatever you choose, in whatever way you wish, without suffering any additional discomfort while cooking.

It is handier than a coal stove and cleaner and cheaper. The Wickless Blue Flame Oil Stove is absolutely safe; it burns ordinary kerosene, without wicks and causes neither smoke, smell nor soot.

Write for a free literature and name of the nearest dealer. Write to the Standard Oil Company.

THE BOXER MOVEMENT.

Germany and England Blamed for Not Recognizing Its Dangerous Character. The Dowager Empress.

By Cable to the Morning Star. BERLIN, June 27.—Herr Eugene Wolf, in the Berliner Tageblatt, publishes a powerful article regarding China, drawn from intimate and very recent acquaintance with the land and its people.

He gives a historical sketch of the Boxer movement and blames Germany and England for not recognizing its dangerous character during the last two years.

He says that the French minister in Peking, M. Pichon, also energetically forced the Empress Dowager to remove Que Shen from the governorship of Shan Tung.

Statesville Landmark: Articles of incorporation have been drawn and a charter applied for for a large merchant mill, but here the Statesville Milling Company, as it will be known, will have an authorized capital of \$50,000 and will put up a flour mill.

Newton Enterprise: Wheat threshing in this county will begin as soon as the wheat gets dry enough to haul in.

Paris, June 27.—French Minister of Marine M. De Lanessan, has received a cable from Captain Dore, director of the French arsenal at Foochow, saying that he has sent to Hong Kong all the women and children of the French mission at the arsenal.
