

The benediction of Christ's birth; For others' sake, to suffer all That into human life can fall. For others flowed the crimson tide, For others He was crucified-Herein, I think, is love.

## CURRENT COMMENT.

- The Republicans of Delaware have had too much Addicks, and it looks that the Democrats will carry the State, gaining thereby two United States Senators, beside State Norfolk Virginian and Pilot, Dem.

---- Depew is not creating any applause among republicans by his statement that Europe and England want to see Bryan elected in order to destroy American industries. There are some statements that even a republican can't stomer' Atlanta Constitution, Dem.

If, as Mr. Secretary H J says: his illness does not among to any-thing, why does he no so to Washthing, why does he r of affairs in the ington and take he weather has not Chinese crisis r the President and been too PRoot in Washington. Secretecretary Hayremain away be-Die the President would prefer that Secretary Root should guide the state department, as well as his own at this juncture?-Savannah Nor Dem.

Gage is "off on a lark," as he expresses it-that is to say, he las gone on a cruise up Long Isand on the United States light house tender Iris which, it is said, is palatially fitted up for just such purposes. He thus of course, sets a fine example of hesitation in the matter of applying public property to private use, and of economy in the expenditure of public funds. But with the empire threatens. at hand, possibly he thinks, what does it matter?-Richmond Dispatch, Dem.

STRIKES IN CHICAGO.

## **Open Hostilities Between Contractors and** Union Carpenters.

## By Telegraph to the Morning Star.

CHICAGO, Sept. 8 .- Open hostilities between the contractors and Union labor were resumed to-day when at noon 3,000 Union carpenters quit work. They demanded the usual Sat-urday half holiday. This the con-tractors refused to allow except during the summer.

The carpenters had returned to work under special permits from their unions, although the big building trades strike or lockout still continues, affecting forty thousand men.

lickly teffected, and by 9 o'clock in morning the entire population may centrying under the shalter of the cocoanut palms teither stupidly drunk or moisily) quarreling. mingled uproar, and, snoring lasts about noon, when there ista sudreturn to sobriety, and the crowd arstaway to/the village to collect the means for, another carousal. mean his destruction and the overthrow of the government he loyes. ing negotiations for a settlement But the dinner pail is not always full. [Laughter]. I read in this morning's Hence the suggestion has been thrown out that the allied forces in papers, a Republican paper down at Pekin be reduced to a number suffi Chicago, an article which describes a cient to ensure the immediate safety threatened strike in the anthracite reof the legations, while the remaining gion and I find the figures give by a forces retire beyond the walled city, member of the National Board of the perhaps to Tien Tsin, and if the pro United Mine Workers of America now gress of the negotiations seem to war in session at Indianapolis; I find that rant it perhaps be withdrawn alto-gether from Chinese soil. the daily pay of the miner is small. A man spoke for all when he said: 'It would per matter if the men state.' It would be starve in idleness.' It is the state with the starve in idleness.' It is the state of the state with the starve in idleness.' It is the state of the state There are only two obstacles to the execution of this plan. One is the Why friends, \$5.50 pp." to support a famil difficulty of framing suitable guaran

Mr. Reyan cited a number of in-Mr. Reyan cheen a number of in-stances from trade reports where wages had been reduced, and added that even if the Republican pirty For particulars apply to au 14 4w tu th zu W4t was responsible for "everything that has happened that gave any benefit for those who worked wages, the Republican party has of set also the benefits that the laboring man has received by allowing trusts to extort from him when he comes to buy what he has to buy." [Applause.] The wars for liberty have been fought by men who would rather die for liberty than live fat under slavery and bondage. And, as Mayor Jones well said at Columbus the other day, 'the slave had plenty to eat and to wear.

The slave always had a full dinner pail, but under the industrial despotism that the Republican party is forcing on the United States, the men who own the labor of the restare not under any obligations to see that they have either food or clothing.

"The supreme question," said Mr. Bryan, "for this hour, is whether the nation shall enter upon the doctrine of force and conquest or stand upon American ground and recognize the right of these people to govern them selves as well as the right of our people to govern ourselves."

A Second Speech.

William J. Bryan made his second campaign speech in Milwaukee to-night and addresed a larger crowd than that which greeted him at National Park this afternoon. It was the occasion of the Wisconsin industriai exposition.

He expressed his delight at the evi-dences of growth and progress in Mil-waukee in this speech and said it was the constant competition and attempt to present to the people the most finished products at the very lowest prices which has placed this nation in
