

THE WILMINGTON HERALD.

WILMINGTON, NOVEMBER 14, 1886.

THE SLEEPER

BY EDGAR ALLEN POE. At midnight, in the month of June, I stand beneath the mystic moon...

Oh, lady bright, can it be right? The lattice open to the night! The bodiless air, a wizard rout...

The lady sleeps, O, may her sleep, While I am dreaming, be deep! Soft may the words about her creep!

where he will carry on as formerly the HARDWARE and DRY GOODS business in all the various branches.

His present Stock is large and carefully selected by himself, while the facilities for rapid and regular communication with the north by steamer enables him promptly to supply any article which may be deficient, and to keep his stock constantly up to the demands of the public.

He trusts that after a business intercourse with the people of Wilmington and the surrounding country, of nearly forty years duration, he is sufficiently well known to justify him in dispensing with any more lengthy announcement, while he feels confident that his long experience of the trade and of the wants and wishes of the people, will enable him to render satisfaction to all who may favor him with their custom.

JOHN DAWSON. Wilmington, N. C., Oct. 27, 1886.

The New York Tribune says, "The reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced."

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipes published around each bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

REDSBURG, WIS., Sept. 16, 1863. "I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. Three bottles restored my speech and cured me." C. A. FLAUIE.

SOUTH WARSAW, O., July 28, 1863. "One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after trying the doctors over \$150 without benefit, has been cured by ten bottles of your Bitters." EDWARD WOUNALL.

The following is from the Manager of the Union Home School for the Children of Volunteers: HAYWARD MANSION, FIFTY-SEVENTH STREET, New York, August 7, 1863.

"DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in her side, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well."

Respectfully, MRS. O. M. DEVOR.

"I owe much to you, for I verily believe the Plantation Bitters have saved my life." REV. W. H. WAGGONER, Madrid, N. Y.

"That will send me two bottles more of the Plantation Bitters. My wife has been greatly benefited by their use." Thy friend, ASA CURRIN, Philadelphia, Pa.

"I have been a great sufferer from Dyspepsia, and had to abandon preaching." The Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N. Y.

"I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect." G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O.

"The Plantation Bitters have cured me of Liver Complaint, of which I was laid up prostrate and had to abandon my business." H. B. KINGSLEY, Cleveland, O.

"The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm." C. C. MOORE, 264 Broadway, N. Y.

THE PLANTATION BITTERS make the weak strong.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and harmless.

Any person refilling bottles, or offering those PLANTATION BITTERS in bulk—by the gallon, or in any manner, except as above, is a swindler and impostor, with whom we shall deal as the law directs.

SLEEPY HOLLOW PLANTATION. CIRCUMSTANCES over which I have no control, forces the necessity of offering this desirable plantation and residence FOR SALE. It contains over 700 acres of Land, situated at the head of the Great Hollow of the Cape Fear river in Bladen county, near Conner's Bluff (a public landing) on the public road, 62 miles above Wilmington, 14 miles above Elizabeth, 24 miles below Fayetteville, 1/2 mile from Prospect Hall P. O., 2 miles from Mayesville, 14 miles from Lumberton, and about 10 miles in a direct line from the Wil., Char. & E. R. Road, in one of the most agreeable neighborhoods in the State. The improvements consist of a large and pleasant modern built and well finished Dwelling, containing 5 large rooms and passages, a double piazza, front and rear, office, pantry, dairy and spring house, kitchen, store house, wash house, ironing room, poultry, house, wine house, meat and smoke house, overseers house, blacksmith shop, tool house, carpenter's shop, carriage house, buggy houses, cart sheds, barn, crib, stables for 16 horses, large fodder house, loom and spinning house, and 18 laborers' lodges, all of recent construction, frame and brick chimneys, everything complete, with most excellent spring and well of water. The Dwelling is surrounded by a beautiful 10 acre grove of oaks, hickory and elm trees, a well improved garden, 20 acres devoted to apple and peach orchards and grape vines in fine bearing condition, and 30 acres are devoted to Murrays trees, containing 8 varieties, which are in full bearing from May until August, and is invaluable for hog and poultry raising; fire wood and timber are abundant and convenient. The lands are as good as any in the country; the river bottoms rich, the uplands fair, and both susceptible of high improvement. Of the crops grown, corn, cow peas, potatoes, cotton, wheat, oats and rye are the principal—all of which do well. With a trifling expense a head of water thirty to forty feet could be had for milling or manufacturing purposes—the stream never fails. The health of the place is unsurpassed. In a residence of three years, with a family (white and black) ranging from sixty to eighty, no death has occurred, nor has a physician been called to any case, attributable to the health of the place, or has any acute or fever of any kind, or other disease occurred.—And last, but not least, no sign or sound of murrays of any description has ever been known upon the place. To a person desiring long life and a pleasant one, this place offers rare attractions. Plantation furniture, stock and provisions will be sold with the place if desired. Application may be made to me, upon the premises, or to O. G. Parsley & Co., at Wilmington. HENRY NUTT, Sept. 30.
