OBSERVER. FAYETTEVILLE: THUESDAY, JANUARY I. 1852.

A NEW YEAR .- We tender to our readers our best wishes that the year on which we poople. It and the tagentous quibbles of a Hunall this day enter may be to them a pros- words, intervened, just as Russia has done, merons and happy one; and that between in the civil commotions of a people; and and us the ties of friendship, or of she is right and Russia is wrong. We are acquaintance, may be strengthened to our called on to imitate France; of course, we mutual gratification and advantage.

To the Senior Editor of the Observer he day is one of peculiar interest. It is tion is too mad to understand the premisthe commencement of the Twenty-Eighth es, and too blind to see the sequence.' our of his connection with the public of

North Carolina as Editor of the Observer. Dariag those years great changes have ocentred. The paper has doubled its size, the extravagancies which were displayed and trebled its circulation, and the public in New York. During his stay in the Somi-Weekly issue. Quite a number of reference was made to the intervention names which he found on its subscription doetrines which he had advocated in New a shale or two whiter than they were then. Intelligencer says:

But in this The Secretary listened, and that was a from Portsmouth; Schrs Leo from Boston, Mary Howard, Memeuto, Tyrone and Saunders from anything but relief to public anxiety. In Raleigh, through the enterprise of our case the comparison is so abominable an point gained; for Secretaria and that was a howard, Memento, Tyrone and Saunders from Newport. 29 That great man, we all fear, is closing his enlightened and patriotic fellow citizen, outrage on common decency, that I can listen. Having heard all his grievances, Public career forever. He looks facts in the face with his usual fearlessness, and the face with his usual fearlessness, and fail to meet it. Oh, what a void there will be, when he he haves were for the meet it. Oh, what a void there will be, when he he haves were for the index of the same for the same

the history could only be confined within so airly-but I won't tell 'er. She's no Common, per bag, in'erfer'n hers. I don't never ask her Peach Brandy. where she buys groceries and provisions. Apple must go forth to the world as the only his- and get's trusted for 'em-if she only gets Northern " N. C. Whiskey, 'em without throwin' away money for 'em. N. F. Ba And then she finds fault wi' me for Jama spendin' so much money for licker. But Fren what am I a goin' to dew? Lieker's cash: Amer it can't be bort without the dimes. She SUGARsays it hurts me, and makes my hands Louf peel, says that 'twould take a great deal of Crus new milk to make a man's hands peel bad. St. C What o' that? Hain't the men that sell Porte licker got to live? How can they pay rent TALLOW if nobody patronizes 'em? That's a ques-TOBACC tion that goes to my heart like an arrer. When I think of the high rents that tav-Leaf Man WHITE ern keepers have to pay, I al'ays go and WINDOW take su'thing to help 'em along. I've thought a good deal about this lately-10 x WOOLand-now I think of it, they've riz on The Washington correspondent of the what's his name's rent, across the way, and There
