NOTICE.
The Public are informed that the subscriber is the authorized Agent for the sale of MCKINSTRY'S PORTABLE SAW MILLS, manufactured in Washington City, of 20 horse power engine, locomotive boiler, which are the only actual Portable Saw Mills he has ever seen—no brick being used in their erection. Those in want of these Mills will find it to their advantage to call on the subscriber. Mr. McKinstry informs him that Geo. Page & Co. have never manufactured a Portable Engine like the above, and therefore their right is in no danger of being infringed upon, as there is no necessity of doing so in this age of improvement.

Hotchkiss's Vertical Water Wheel.
THERE are several hundred of these Wheels in operation in different counties in North Carolina. For proof of their great advantages over the common butter wheel, or any other wheel now in use for saw mills, we confidently refer to those who have applied them to their mills. We can recommend them particularly for their superiority in cases of a low head of water, or lack water.
We will keep a supply of Wheels, suitable for different heads of water, at Wilmington, Newbern, Washington, Edenton and Fayetteville. The wheels may also be had of E. A. Brevard, Lincolnton, and Elijah Wells, Petersburg, Va.
Persons wishing to obtain the right to use the wheels, will be served on application to D. McNeill & Co., Fayetteville, N. C.
