a cash, and the other half in a note at 12 mouths. Debtors' lives may be insured by creditors. A man may insure his own life for the exclusive benefit of his family. The lives of slaves may This system is rapidly growing into favor, all over the civilized world. It is one by which a family, for a small sum annually, may be provided for, after the death of its head, on whose exertions they may have been dependent for a support. It is a good investment of money, even if one should live long after taking out a
