Fire Insurance.
THE ETNA Insurance Company of Hartford, having paid the tax imposed by the Reserve here of the late Legislature, will continue its Agency in Fayetteville, under the management of the undersigned, who is prepared to issue Policies of Insurance on Buildings or Goods, either in this Town or in any part of the State, on proper application, description of the Property, &c.
The ETNA COMPANY has been in operation about 30 years. Its capital is \$300,000. The Hon. Thos. K. Ince was its first President, and he still holds that office, and several of his first Directors are still active and efficient members of the Board. It has at all times sustained the highest character for the prudence of its management, and for the liberality with which it has ever adjusted its losses.
E. J. HALE, Agent.

LIFE INSURANCE.
THE old established Etna Insurance Company of Hartford, Connecticut, has recently added to its Fire Insurance business, which it has maintained with such unexampled credit for upwards of thirty years, a LIFE INSURANCE Department. The Reserve here has been appointed Agent in this as well as in the Fire Department of its operations; and is prepared to take risks on the lives of white persons or slaves, on as good terms as any other Company, and at lower rates than those of the Mutual Companies.
The capital of this department is \$150,000, entirely distinct from the capital of the Fire Department, and with its accumulations, reserved exclusively to pay losses on Life Insurance only. Policies will be issued payable after death, or upon the parties arriving at a specified age.
E. J. HALE,
Fayetteville, Nov. 1852. 62-4t

LIFE INSURANCE.
THE undersigned has been appointed Agent of the North Carolina Mutual Life Insurance Company. Every member for life participates in the profits of the Company; and the annual premium for life membership, where it amounts to \$20 or more, may be paid one-half in cash, and the other half in a note at 12 months.
Members' lives may be insured by creditors. A man may insure his own life for the exclusive benefit of his family. The lives of slaves may be insured.
This system is rapidly growing into favor, all over the civilized world. It is one by which a family, for a small sum annually, may be provided for, after the death of its head, on whose exertions they may have depended for a support. It is a good investment of money, even if one should live long after taking out a Life Policy. Explanatory pamphlets, and the necessary blanks, furnished on application.
