BARGAINS! BARGAINS! IN my recent visit to New York, my principal object was to get workmen to come South. I gave up the prospect of procuring any, consequently purchased a large stock of SILK HATS. After making my purchase, I engaged a gentleman as principal workman, who came well recommended. He learned his trade in Europe; and for the last seven years has been employed in a large manufacturing establishment in the city of New York. I then procured fashionable hoods and materials, and am now fairly at work.

Manufacturing Ninety Hats per month, and will have some of them ready for sale by the 20th inst. In order that I may not be overstocked, I offer for sale, AT COST, my late purchase of Nos. 1st, 2d, and 3d quality FASHIONABLE

Holeskin HATS. Merchants may save money by purchasing of me. If you purchase in New York, it is often a month before you receive them. I shall in a short time be able to furnish merchants with Hats of MY OWN MANUFACTURE, at N. York, at \$20 per dozen.

I take this opportunity of returning my thanks to my former customers, and invite them and other well-disposed patriotic gentlemen, in favor of SEPTIMONIUS SMITH'S MANUFACTURES, to give me a call on or after the 20th inst., as I expect to have ready for exhibition and sale Hats of my own manufacture that cannot be surpassed in style and durability.

I would be pleased to see every gentleman, in company or town, and will take pleasure in exhibiting the same, and showing the different process they pass through from the fur on the skin until ready for the head.
