**SALES OF LOTS ON Beaufort Harbor.**  
THE Carolina City Land Company will sell to the highest bidder on their premises, at White Hall, on Monday the 21st day of October next, a large number of valuable Lots.  
The lands of this Company front about two miles on the most accessible and best part of the Harbor, and are considered the most valuable in it. They are in full view of the Ocean, and will be handsomely and conveniently laid out for business and pleasure. No improvement can be made with Central or Western Carolina, or the waters connected with the Harbor, without benefiting these lands. The Carolina City Company, aware of this fact, beg leave to say that they have no agents or donors in the Western part of the State or any where else, offering to sell Lots at a low rate to secure influence, but that all the sales of their land are required, by the articles of agreement, to be to the highest bidder.  
The gentlemen who compose this Company have made arrangements to improve their lands to the amount of \$50,000. During the winter and ensuing spring, a large Hotel will be built, Wharves, Turpentine Distilleries and a Steam Saw Mill will be put in operation. There is excellent clay on the premises for making brick and also on the adjacent waters, and experience has proved the importance of fire proof buildings in a commercial place, the land will not allow any but substantial fire proof buildings to be permanently erected on any lands they may sell.  
To persons who may prefer, the land will lease for a term of years. They respectfully invite all persons in any way interested to be present at the sale and see for themselves. Especially mechanics, ship carpenters, brick masons, &c., as for them no richer harvest can be promised than the future prospects of Carolina City.  
Terms of Sale.  
One fourth cash—the balance in instalments at 12, 18 and 24 months, interest from date.  
All letters on business of the Company address to John M. Rose, Esq., Fayetteville, N. C.  
By order of the Board,
