CHARLES KLIFFMULLER,

SOLE AGENT IN THE STATE OF NORTH CAROLINA

FOR

EGERT & CO'S

Manufactury of Grand Square and Upright

PIANO FORTES,

NO. 222 PRATT STREET,

BALTIMORE, MD.

Office at Raleigh, at Fr. Maher & Co's.

At Fayetteville, Fayetteville Hotel Building.

Old Pianos taken in exchange.

Instruments carefully tuned and repaired.

The Subscribers respectfully call the attention of

the public to their Grand, Square and Upright

Pianos, 61, 67, 7 and 51 octaves, for which the

Maryland Institute, for the promotion of Mechanics

Art, has awarded the first premium ever awarded by

that Institute for improvement in Grand and Square

Pianos. These Pianos are in large size, highly finished cases of Rosewood, with entire iron frame, constructed in the most substantial manner, with all the modern improvements.

The manufacturers use none but the very best sea-

soned timber, and materials of the choicest qualities,

that enable them to warrant their instruments to stand

any climate.

The Firm has a patent light action, operating on

the principles that friction is almost entirely relieved

as applied, and their piano can therefore never get out of order.

For chaste ness of design, elegance of finish, as well

as for fullness, richness, and beauty of tone, these

Pianos rank foremost, and are equal to any made here

or in Europe.

Wherever these Pianos have been introduced, they

have given, in every instance entire satisfaction.

We warrant our instruments to stand good for five

years under careful treatment, and will receive them

back and substitute others, any time within the first

12 months from the sale of it, if it shall not prove

satisfactory.
