Gill's Ne Plus Ultra BURNISH. THE Subscriber, a practical Boot-maker of some experience, has for some time been sensible that there is a desideratum to be yet supplied to the public in the way of a suitable burnish for boots and shoes. Most of the articles now used either injure the leather or fail to impart that lustre so necessary to give to man's "understanding" a proper finish. He has therefore, during the last twelve months, been devoting himself to the task of preparing an article free from these objections, and has at length after much investigation and experiment completely succeeded. The result is "Gill's ne plus ultra Burnish." He only wishes that it may be tested in order to establish its superiority over all others. Call on him at Mr. Nathan Sikes' boot and shoe establishment, on Person street, and be supplied with an excellent article at a cheap rate.

\$100 REWARD.

Two attempts have been recently made to injure me pecuniarily, in the destruction, by fire, of my Turpentine lands lying on Beaver and Cross Creeks. One in April last, by which I lost some fifteen thousand boxes. One on yesterday while my hands were at dinner, by which about 1000 Turpentine boxes were destroyed. Being thus injured I feel it to be my duty to offer the above reward for such information as will lead to the conviction of the offender or offenders. And I most earnestly call upon my friends and all good citizens of the county to aid me in ferrreting out the villian or villians, who, in violation of the public peace, regardless of their own self-respect and all social duty, thus wantonly or with malice, attempt, by social duty, thus wantonly or with malice, attempt, by stealth, to injure the property of others.
