Gill's Ne Plus Ultra BURNISH.

THE Subscriber, a practical Boot-maker of some experience, has for some time been sensible that there is a *desideratum* to be yet supplied to the public in the way of a suitable burnish for boots and shoes. Most of the articles now used either injure the leather or fail to impart that lustre so necessary to give to man's "*understanding*" a proper finish. He has therefore, during the last twelve months, been devoting himself to the task of preparing an article free from these objections, and has at length after much investigation and experiment completely succeeded. The result is "*Gill's ne plus ultra Burnish.*" He only wishes that it may be tested in order to establish its superiority over all others. Call on him at Mr. Nathan Sikes' boot and shoe establishment, on Person street, and be supplied with an excellent article at a cheap rate.

$100 REWARD.

TWO attempts have been recently made to injure me pecuniarily, in the destruction, by fire, of my Turpentine lands lying on Beaver and Cross Creeks. One in April last, by which I lost some fifteen thousand boxes. One on yesterday while my hands were at dinner, by which about 1000 Turpentine boxes were destroyed. Being thus injured I feel it to be my duty to offer the above reward for such information as will lead to the conviction of the offender or offenders. And I most earnestly call upon my friends and all good citizens of the county to aid me in ferreting out the villian or villians, who, in violation of the public peace, regardless of their own self-respect and all social duty, thus wantonly or with malice, attempt, by stealth, to injure the property of others.

CHARLES KLIFFMULLER,
SOLE AGENT IN THE STATE OF NORTH CAROLINA
FOR
EGGERT & CO'S
Manufactory of Grand Square and Upright
PIANO FORTES,
NO. 232 PRATT STREET,
BALTIMORE, MD.
Office at Raleigh, at Fr. Mahler & Co's.
" " Fayetteville, Fayetteville Hotel Building.
☞ Old Pianos taken in exchange.
Instruments carefully tuned and repaired.

THE Subscribers respectfully call the attention of the public to their Grand, Square and Upright Pianos, of 6½, 6¾, 7 and 7¼ octaves, for which the Maryland Institute, for the promotion of Mechanic Arts, has awarded the first premium ever awarded by that Institute for improvement in Grand and Square Pianos. These Pianos are in large sized, highly finished cases of Rosewood, with entire iron frame, constructed in the most substantial manner, with all the modern improvements.
The manufacturers use none but the very best seasoned timber, and materials of the choicest qualities, that enable them to warrant their instruments to stand any climate.
The Firm has a patent Right action, operating on such principles that friction is almost entirely relieved or avoided, and their piano can therefore never get out of order.
For chasteness of design, elegance of finish, as well as for fullness, richness, and beauty of tone, these Pianos rank foremost, and are equal to any made here or in Europe.
Wherever these Pianos have been introduced, they have given, in every instance entire satisfaction.
We warrant our instruments to stand good for five years under careful treatment, and will receive them back and substitute others, any time within the first six months from the sale of it, if it shall not prove satisfactory. EGGERT & CO.,
