" Fayetteville, Fayetteville Hotel Building. Old Pianos taken in exchange. Instruments carefully tuned and repaired.

THE Subscribers respectfully call the attention of the public to their Grand, Square and Upright Pianos, of 64, 63, 7 and 74 octaves, for which the Maryland Institute, for the promotion of Mechanic Arts, has awarded the first premium ever awarded by that Institute for improvement in Grand and Square Pianos. These Pianos are in large sized, highly finished cases of Rosewood, with entire iron frame, constructed in the most substantial manner, with all the modern improvements.

The manufacturers use none but the very best sea-

oned timber, and materials of the choicest qualities, that enable them to warrant their instruments to stand

The Firm has a patent Right action, operating on such principles that friction is almost entirely relieved or avoided, and their piano can therefore never get out of order. For chasteness of design, elegance of fluish, as well as for fullness, richness, and beauty of tone, these Pianos rank foremost, and are equal to any made here

Wherever these Pianos have been introduced, they have given, in every instance entire satisfaction. 232 Pratt Street, Baltimore.
