FOR EGGERT & CO'S Manufactory of Grand Square and Upright PIANO FORTES. NO. 232 PRATT STREET,

BALTIMORE, MD. Office at Raleigh, at Fr. Mahler & Co's.
" Fayetteville, Fayetteville Hotel Building. Old Pianos taken in exchange.
Instruments carefully tuned and repaired.

THE Subscribers respectfully call the attention of the public to their Grand, Square and Upright Pianos, of 61, 61, 7 and 71 octaves, for which the Maryland Institute, for the promotion of Mechanic Arts, has awarded the first premium ever awarded by that Institute for improvement in Grand and Square Pianos. These Pianos are in large sized, highly fin-ished cases of Rosewood, with entire iron frame, constructed in the most substantial manner, with all the modern improvements.

The manufacturers use none but the very best sea-

soned timber, and materials of the choicest qualities, that enable them to warrant their instruments to stand ny climate. The Firm has a patent Right action, operating on

such principles that friction is almost entirely relieved or avoided, and their piano can therefore never get out For chasteness of design, elegance of finish, as well as for fullness, richness, and beauty of tone, these Pianos rank foremost, and are equal to any made here

or in Europe. Wherever these Pianos have been introduced, they have given, in every instance entire satisfaction.

We warrant our instruments to stand good for five years under careful treatment, and will receive them back and substitute others, any time within the first six months from the sale of it, if it shall not prove satisfactory.
