VALUABLE LANDS ON THE CAPE FEAR RIVER.

THE Lands and Plantations known as the Boone and Blue Bank Plantations, are offered for sale. These lands lie only 15 miles above Wilmington, on the Cape Fear River, and extend out to the Wilmington and Manchester Railroad, and are of easy access to one of the best markets in the State of North Carolina. On the North side of the river, there are six hundred acres of the finest River Bottom Land in the State—about fifty acres of which are already cleared, and produce the finest sort of crops. One hundred acres more may be cleared, which is sufficiently elevated above the ordinary height of freshets to save the Old customers and new ones are respectfully invited to call and examine my stock of Fall and Winter Goods.

On the South side of the River is situated the balance of the Lands, estimated at seven thousand five hundred acres, from which three fine settlements may be made. The upper portion, or Blue Bank, contains some two thousand acres or more—of which there are some on hundred and fifty acres now in cultivation, and is well adapted to corn, peas, potatoes and cotton. There is a large quantity of fine land yet to clear, the growth of which is pine, oak, hickory and dog-wood. South of this tract is the Roame Plantation, and adjoining the lowlands mentioned above, containing some two thousand four hundred acres, a small quantity of which is cleared, and considerable more yet to clear.

On this tract all the buildings and improvements are situated, consisting of a good Dwelling-house, Kitchen, negro houses, all of which are new and comfortable. There is a Turpentine Still and Fixtures, which will be sold with the land, if desired. There are also some eight tasks of Turpentine Boxes, some three tasks of which are old on the land. In adjoining this tract, and on the North side of the River, are three thousand acres of unimproved Pine Lands, which would make a fine settlement, a portion of them being good farming lands, and on which several fine building lots could be had immediately on the Railroad, suitable for Summer Residence. Persons wishing to purchase such lands, will do well to call and examine the premises before making a location.

STOP THE THIEF!

STOLEN from my Lot in Richmond County, on Sunday night last, my HORSE. Said horse was of iron-gray or brownish color; he had marks of gear on him, and his fore-top cut off very short; he was shod on the fore feet, walked fast, in a good trotter, and would pace; there was a white mark on his back, on the right side, about six or eight inches square; also, a small wart on the right side, a little below the white mark.

The horse was taken by a man calling himself John Campbell, who says he was raised in Pitt county, and has been in this neighborhood about two years; he is a Cooper by trade, and says he has worked in Turpentine all his life time; he is a little round-shouldered, has a stout body for a small man, and will not weigh as much as I stated, 145 or 150 pounds; has a very mean look, is very fond of negro company, and his conversation has a good deal of the negro mixed with it.

I will pay \$50 for the delivery of the Horse, or \$50 for the thief.

I will also reward any person for any information that will lead to the recovery of either. M. N. C.

KINGSBURY FOR SALE.

THE King the present occupant, being desirous to close up his business, we offer those valuable premises for sale. Kingsbury is situated at the terminus of the Fayetteville & Raleigh Plank Road, eleven miles from the former place, and within three miles of King's Landing on Cape Fear River. These premises offer more business conveniences and comforts for living, than any other country seat in Cumberland County. On them is a neat two-story family mansion, containing seven rooms—a fire place in each, with front and rear piazzas and portico, frame kitchen, sleeping apartments for servants, smoke house and dairy, with a prime well of water, and all handiwork neatly finished. There are five Pine Lumber, and we will take \$3,000 for the whole, which is \$1000 less than the cost of the improvements. We have also, on the premises, and now in operation, a Steam Saw and Grist Mill, and Turpentine Distillery, which can be bought cheap.

If the right sort of a purchaser presents himself, and wishes a partner in his operations, we will furnish one with sufficient capital to conduct a profitable business. To a Planter who has \$14,000 to invest in real estate and wants the best Plantation on Cape Fear River, with a healthy country seat with all conveniences for living at hand, these premises would be a very desirable attachment to the Ashe Plantation, containing seven hundred acres of the best Cape Fear bottoms, and now in market. These two Estates are connected by a good Ferry Landing and are only three miles apart, and will be sold together or separate. For further particulars apply to T. S. LUTTERLOH, Esq., or the subscribers. J. & T. WADDILL.

Florida Land Agency.

THE undersigned has established an AGENCY in the town of Alligator, Columbia County, Florida, for the PURCHASE, SALE or LOCATION of LAND WARRANTS, the PURCHASE and SALE of LANDS generally, improved or unimproved.

The fact now being established that a Rail Road is to be constructed immediately, connecting the Atlantic and the Gulf of Mexico, running through the entire length of this County, east and west; and in view of the great fertility of our soil, the unusually fine growth of pine timber on the land, the healthfulness of the climate, and the reasonable terms on which lands can now be obtained, there is perhaps no section of the Union which offers equal inducements to the emigrant from the other States.

Having had some experience in farming on the different kinds of lands, and acquired a general knowledge of them throughout the County; and having acquired unusual facilities for pointing out such as are for sale, either of public or private lands, he feels very confident of making it to the interest of all persons wishing information, or who may have a determination to settle in Florida, to call on him. Wilmington, N. C., February 1, 1855.
Mr. W. H. Lippitt, Dear Sir—Without any suggestion or solicitation whatever on your part I take pleasure in adding my testimony to the efficacy of your Specific for the cure of Dysentery and kindred complaints. Having been for three years afflicted with a disease of this character, and employing the services of three of the best physicians in this place, with but slight advantage, I was induced to try your medicine, and after following the prescriptions and taking several bottles, am now perfectly restored. I believe your Specific to be a most excellent and valuable medicine, and feel no hesitation in recommending it to the public.
