VALUABLE LANDS ON THE CAPE FEAR RIVER.

THE Lands and Plantations known as the Roane and Blue Banks Plantations, are offered for sale. These lands lie only 15 miles above Wilmington, on the Cape Fear River, and extend out to the Wilmington and Manchester Railroad, and are of easy access to one of the best markets in the State of North Carolina. On the North side of the river, there are six hundred acres of the finest River Bottom Land in the State—about fifty acres of which are already cleared, and produce a large quantity of fine land yet to clear. There is a large quantity of fine land yet to clear, the growth of which is pine, oak, hickory and dog-wood. South of this tract is the Roane Plantation, and adjoining the lowlands mentioned above, containing some two thousand four hundred acres, a small quantity of which is cleared, and considerable more yet to clear. On this tract all the buildings and improvements are situated, consisting of a good Dwelling-house, Kitchen, Smoke-house, Corn-crib, Stables, and some fourteen negro houses, all of which are new and comfortable. There is a Turpentine Still and Fixtures, which will sell with the land, if desired. There are also some eight tasks of Turpentine Boxes, some three tasks of which are old on the land.

STOP THE THIEF!

STOLEN from my lot in Richmond County, on Sunday night last, my HORSE. Said horse was an iron gray or brownish color; he had marks of gear on him, and his fore-foot cut off very short; he was shod with iron shoes. There was a white mark on his back, on the right side, about six or eight inches square; also, a small wart on the right side, a little below the white mark. The horse was taken by a man calling himself John Campbell, who says he was raised in Pitt county, and who had been in my neighborhood about two years; he is a Cooper by trade, and says he has worked in Turpentine all his life time; he is a little round-shouldered, has a stout body for a small man, and will not weigh as much as I stated, 145 or 150 pounds; has a very good nature, and is very fond of negro company, and his conversation has a good deal of the negro mixed with it. I will pay \$50 for the delivery of the horse, or \$50 for the thief. M. N. CAMPBELL, Montpelier, Richmond County, N. C. I will also reward any person for any information that will lead to the recovery of either. M. N. C. Sep. 10, 1855. 36-11

FLORIDA LAND AGENCY.

THE undersigned has established an AGENCY in the town of Alligator, Columbia County, Florida, for the PURCHASE, SALE or LOCATION of LAND WARRANTS, the PURCHASE and SALE of LANDS generally, improved or unimproved. The fact now being established that a Rail Road is to be constructed immediately, connecting the Atlantic and the Gulf of Mexico, running through the entire length of this County, east and west; and in view of the great fertility of the soil, the usual and the growth of fine timber on the land, the healthfulness of the climate, and the reasonable terms on which lands can now be obtained, there is perhaps no section of the Union which offers equal inducements to the emigrant from the other States. Having had some experience in farming on the different kinds of land, and acquired a general knowledge of them throughout the County; and having acquired unusual facilities for pointing out such as are for sale, either of public or private lands, he feels very confident of making it the interest of all persons wishing information, who may have a tendency to settle in Florida, to call on him. KINGSBURY FOR SALE.

Kingbury the present occupant, being desirous to close up his business, we offer those valuable premises for sale. Kingsbury is situated at the terminus of the Fayetteville and Raleigh Plank Road, eleven miles from the former place, and within three miles of King's Landing on Cape Fear River. These premises offer more business conveniences and comforts for living, perhaps than any country seat in (Wilmington). On them is a most extensive family mansion, containing seven rooms—a fire place in each, with front and rear piazzas and portico, a fine kitchen, sleeping apartments for servants, smoke house and dairy, with a prime well of water; and all handsomely enclosed. Also, on the premises are nine other frame buildings, with brick chimneys each, and a complete set of cooking utensils, including a large iron safe, a range, a boiler, and a large lot of furniture, carriage house, store and warehouse; Water Grist Mill, two Cooper and two Blacksmith's Shops, Wheel Right Shop, Turpentine Sheds, &c.; all within convenient distance of the best Springs of Sandhill Water. All the buildings are new, and have been erected within the last four or five years. There are valuable improvements we will add 1,500 acres of Pine Lands, and we will take \$300 for the whole, which is \$1000 less than the cost of the improvements, and produce of the land. And new iron machinery, a Steam Saw and Grist Mill, and Turpentine Distillery, which can be bought cheap. If the right sort of a purchaser presents himself, and wishes a partner in his operations, we will furnish one with sufficient capital to conduct a profitable business. To a Planor who has \$10,000 to invest in real estate and wants the best Plantation on Cape Fear River, with a healthy country seat with all conveniences for living at hand, these premises would be a very desirable attachment to the Ashe Plantation, containing seven hundred acres, and is good tract, and is connected by a good Ferry Landing and are only three miles apart; will be sold together or separate. For further particulars apply to T. S. Luterloh, Esq., or the subscribers. Fayetteville, Sept. 7. 74-11
