Wilmington, N. C., February 1.
Mr. W. H. Lippitt,—Dear Sir:—Without any suggestion or solicitation whatever on your part I take pleasure in adding my testimony to the officacy of your Specific for the cure of Dysentery and kindred complaints. Having been for three years afflicted with a disease of this character, and employing the services of three of the best physicians in this place, with but slight advantage, I was induced to try your medicine, and after following the prescriptions and taking several bottles, am now perfectly restored. I believe your Specific to be a most excellent and valuable medicine, and feel no hesitation in recommending it to the public. So far from being a nostrum as too many of the popular medicines of the day are, I believe it to e superior for the cure of the disease indicated above, to any other known medicine.

I am truly yours, &c. M. BRYAN
