ANSON INSTITUTE.

THIS Institution has been in operation about two years and a half. It is pleasantly situated on an eminence about one-half of a mile southwest of the town of Wadesborough, commanding an extensive view of the surrounding country. There is a dweiling house connected with the institute and occupied by Rev. Flijah J. Morrison, one of the Teachers, who is prepared to take eight or ten boarders, to whose comfort, instruction and moral training every necessary attention will be bestowed. The Institution is now under charge of Prof. SILAS C. LINDSLEY and Rev. E. J. MORRISON, gentlemen who have considerable experie in teaching. Mr. Morrison, who has charge of the English Department, is a graduate of our University, and has taught a classical school formany years.

Mr. Lindsley, who has charge of the Latin and Greek
Department, is a graduate of Princeton, was for several years Professor of Languages in the Caldwell Institute, while situated in Greensborough, in this State, and has devoted over twenty five years of his life to the instruction and training of youth. Both of these gentlemen are eminently qualified in every respect to fill their respective positions, and to discharge the responsible trusts confided to them.

It is the only high Male School in the county; it has been built by the liberality and public spirit of the citizens of Anson county. Why then should it not be citizens of Anson county. I had the pleasure of attending the examination of the pupils at the close of the past session, embracing the 10th day of June, and was highly pleased with the onciency and thorough training of the students, indiented by their examinations. I have never attended an examination of the kind where the pupils recited it: more promptness and intelligence.
The proceedings were closed at night with some two
