REV. J. P. BAGBY, A. B., PRINCIPAL. MR. JOSEPH H. SPED, A. B., Associate. MR. J. M. REED, A. B., Assistant. MR. EDWARD M. SCOTT, M. D., Principal of the Medical School.

THE Fall Session of the Male Academy will commence on the 10th day of JULY. The Corps of Instructors has been increased, so that extended comment is deemed unnecessary. Suffice it to remark that its locality compares favorably with any in the State, both in regard to health and morals. Both Trustees and Teachers are in their duty to inculcate sound morality and correct general views of religion; yet at the same time they will take special care that nothing is taught that is at all sectarian. While the Teachers propose going over the same ground usual in first class academies, they do not mean to neglect any part of their instruction should be thorough than extensive. Every effort will be made to induce fondness for study, and to check vicious propensities.

TERMS: Tuition in the English Department \$12 50; and in the Classical \$15 per Session. Students entering the higher branches have the privilege of studying either all the branches taught by paying the price of the highest alone. Board, with rooms, lights, fuel, washing, &c., furnished by private families of the village or in the adjacent county, at \$8 per month.

THE Associate Principal of our School is a native of North Carolina, and a graduate of Hampden Sydney College, Va. The Principal is a native of Virginia, and a graduate of Randolph-Macon College. His brothers, the Trustees, come highly recommended from the Junior Class of R. M. College.

The Medical School will commence on the 10th of July. The mode of instruction will be by lectures, exercises, and medical conversations. Each student will be required to make up essays in the various departments, and to write essays in the various branches of medicine, and will be practised in applying bandages for fractures, &c., and in the use of surgical instruments.

Dr. Scott will exhibit and explain the various kinds of surgical instruments, and also apparatus for the adjustment of fractures and dislocations, and, as occasion requires, drawings and charts for illustrations in Anatomy and in the Practice of Medicine.

In winter an opportunity will be given for exercise in Practical Anatomy. Instead of speaking merely of our Medical School, we append a notice of it, by Dr. Richard Blacknall, whose well known character as a physician, enables him to appreciate the importance of such facilities for medical instruction as we propose to offer. It is a privilege for such times as may be desired, that gentlemen who attend the Medical School, should be enabled to attend the Medical School.

TERMS: The usual rates fixed by the Medical Profession—\$100 per annum. Rates of Board as above stated. Rev. JOHN M. MANNEN, Chairman. Rev. JOHN M. LEATHERS, MR. WMS. HARRIS, Col. D. C. PARRIS, Sec'y.

N. B. The pleasure in recommending Doctor Scott's Medical Class to young men who may wish to read Medicine.

Dr. Scott is a native of Orange Co., N. C. He has been for several years Demonstrator in the National Medical College, D. C., where, of course, he had all the advantages of becoming eminently qualified for the discharge of a medical class.

Dr. Scott's class, on account of the opportunities afforded by him for exercises in practical Anatomy, will be in advance of those who take the ordinary course before attending lectures for graduation, as the Anatomy he teaches, or Practical Anatomy, is generally neglected. RICHARD BLACKNALL, M. D. June 9, 1856.
