CAPE FEAR LANDS

FOR SALE. THE Subscriber offers for sale that very valuable PLANTATION known as the "Blocker Land," situated on the East side of the Cape Fear, four miles below Fayetteville. The Land fronts the River a haif mile and runs back two miles, and consists of about Six Hundred Acres. The soil is of every variety common to this region; embracing the light sandy, loamy, of the last named about fifty acres are under cultiva-tion, and are as good as any in the county. The balance of the swamp (about 100 or 150 acres) can be very easily drained through ditches already cut to the River, or to Lock's Creek, which runs across the middle of the tract. Of the whole tract there is about 125 acres under cultivation. The growth on the wood-land consists of pine (long and short leaf,) cak, hickory, poplar, cypress, gum, de.
For terms and further information apply to W. L.

Number 3 is a new and revised edition of the North Carolina (1851. Numbers 1 and 2 just issued, complete the series, which is, as a whole, cheaper than any other series of Readers in the United States, and as complete.

The Editor (Prof. Hubbard) in his Preface to Number 1 deems it proper to allude to a few of the peculiar advantages aimed at by the Superintendent of Common Schools while making efforts to have this work completed. These are,

1. The encouragement of a feeling of self-dependence, and the enlistment of popular sentiment in behalf of the State and its institutions. It was not thought important, however, to have more than one number of the Readers of merely a local interest.

2. To remedy the evil everywhere complained of in common schools, of a perpetual change in text books; an expensive habit, and one which injures the Schools by preventing the children from being classified. A se-
