BOERHAVE'S HOLLAND BITTERS

DYSPEPSIA,

DISEASE OF THE KIDNEYS, LIVER COMPLAINT,

WEAKNESS OF ANY KIND, FEVER AND AGUE,

And the various affections consequent upon a disordered STOMACH OR LIVER,

SIOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Palms Hearthurn, Loss of Appetite, Despondency Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralge Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, atter the manner of the celebrated Holland Professor, Roerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our bather and scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been imported by the continuous use of ardent spirits, or other forms of dissipation. Generally instontaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, intusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic conflict, possessed of singular remedial properties.

C. A. U.T. I.O. N.

CAUTION: The great popularity of this delightful Aroma has induced many inditations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boorhave's Holtand Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
