CHAMPION'S PILLS. E would call the attention of persons afflicted with Chills and Fevers to this celebrated Pill, which owes its popularity to no pulling, nor to long, windy certificates—but solely to its own merits as remedy which never fails to cure when taken accord ing to directions accompanying each box. This Pill, unlike many others, contains no mineral, nor any in-jurious ingredient, and may be administered with per-

fect safety at all times, to young or old.

As a preventive against Chills, or any other type of Fever, it is recommended as unsurpassed; and in treat-Moigs' Treatise on Obstetries; \$3 00 ment of Fevers generally it is far superior to Quinine, 5 00 or any preparation of Feruvian bark. Numbers 1 | AGENTS WANTED IN EVERY COUNTY OF THE STATE and 2 just issued, complete the series, which is, as a | (RM) capeas the same and procure subscribered whole, cheaper than any other series of Readers in the United States, and as complete. the Readers of merely a local interest. 2, To remedy the evil everywhere complained of in comcon schools, of a perpetual change in text books; an expensive habit, and one which injures the Schools by preventing the children from being classified. A se ries of home Readers, it was supposed, would be certainly used, and this great evil thus avoided.

This series is to consist of fewer numbers than those generally used, and it is believed that these versally used in the State, the sum saved to parents and children would amount to several thousand dellars
