We are now manufacturing Vandewater's 1mproved

Water with a good mill running two saws and grist, with about 300 acres cleared and in a high state of cultivation; the remainder is excellent farming and turpentine land.

OHN T. GILMORE now offers for sale a portion of his swamp lands in the county of Cumberland about 14 miles below Fayetteville, and about 1½ miles lent farming and turpentine land.

East of the Cape Fear River. The entire swamp has been successfully drained, of the large body of water JONVAL TURBINE WATER WHEEL, time land, about 100 acres of which is cleared. There is on this tract one good dwelling with all necessary those wishing to improve their water power will find it outhouses and a good grist and saw-mill. common to swamp lands generally,) whilst there is an abundance of fall, by which the rain water can be carried off by ordinary ditches. A small portion of the land has been in cultivation about 7 years, and those persons who have seen the crops regard the land as equal in fertility to any they have seen in this State or elsewhere. The location is healthy, the neighbor-hood good, and the access to Fayetteville and Wilmington easy by means of a good road 11 miles in length leading directly to the river. Besides this, it is within 3 miles of a beautiful little village, upon a high and healthy Bluff, at the river, with a Store, Ware-house and first-rate landing. All which afford —it is carefully and well got up. * * I think to our Court it will be invaluable—and to the Profession equally so. It will save the labor of deciding the same proper time to call their attention to the subject, inasproper time to call their attention to the subject, inasmuch as there is a crop now growing upon a small production.
