Fire Insurance.

ETE refer our readers to the annual statement of ch will be found in another column. This success-institution was incorporated by the Legislature of in 1819, with a perpetual charter. Its s \$500,000, and its accumulations exceed \$500,000 more, making its entire assets over \$200,-0, invested as detailed in the statement referred to hese results indicate that during the period of nearly arty years since its organization, (without a single hange of its chief officer,) its business has been conlucted with judgment and prudence. It has been hus ar successful in an eminent degree, discharging, we are informed, all its obligations by the payment bout ten million dollars for losses, without asking a 's delay in any instance. It has had but little liton, netwithstanding the immense number of transons made. In order to attain as much certainty as sible in such a business as insurance, it has been practice of the Company, for several years, at at labor, carefully to classify and arrange their ks into about fifty distinct classes, so as to ascertain amount insured on each class. the amount of preums received thereon, and the amount of losses up-This diassification, extending over a long , and covering property to a very large amount, furs reliable data, and presents a sound, substantial se of actual experience, upon which to conduct its mess. Insurance is not a matter of luck or chance.

ioing a s many suppose; its hazards are ascertainable, and s principles capable of being reduced to a system, the ctical working and results of which are as certain at of any other business. The .Etna Company, by adhering rigidly to its system, and placing its busi-ness upon a healthy basis, has obtained the confidence I the community to an extent surpassed by no other oity, every effort will be made to make this the cheap

growth. One great source of its security is the wide distribution of its risks—a policy which it pursues with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the amount to be cov-ered in each locality. By this course it has passed, with great strictness—limiting the strictness with great strictness. WM, B, GRANT, ss and its income from year to year with a steady with comparative impunity, through some of the most sweeping and destructive fires, which have swallowed up ther companies less cautious in their business. It is system like this, based upon experience, which gives stability and soundness to a company, and to the as-sured confidence and security. -Baltimore Patriot.

LAND FOR SALE.

LAND FOR SALE.

LAND FOR SALE. JOHN T. GILMORE now offers for sale a portion of his swamp lands in the county of Cumberland about 14 miles below Fayetteville, and about 14 miles East of the Cape Fear River. The entire swamp has been successfully drained, of the large body of water by which it was heretofore covered. The land is ap-parently level, being free from ridges (which are so parently level, being free from ridges (which are so common to swamp lands generally.) whilst there is an abundance of fall, by which the rain water can be carried off by ordinary ditches. A small portion of the land has been in cultivation about 7 years, and those persons who have seen the crops regard the land as equal in fertility to any they have seen in this State or elsewhere. The location is healthy, the neighbor-Is now receiving from the North the hood good, and the access to Fayetteville and Wil-Is now receiving from the morth the largest, finest, and most carefully solected stock of **FURNITURE** ever offered in this market; which, added to his own manufacture, makes his assortment com-plete;—all of which he will sell on the lowest possible prevention of purchasing. All which afford many conveniences to the neighborhood. As several persons have spoken of purchasing, this is deemed a persons have spoken of purchasing, this is deemed a proper time to call their attention to the subject, inas-Fashionable painted cottage bed-room rutnitute in proper time to can then attention of the subject, but subject, and instruction of the state would request all indebted to the firm of HOUSTON Looking Glasses; Willow Wagons and Gradles; Side portion of the land, by which they can judge of its production.
