Land for Sale.

TOHN T. GILMORE now offers for sale a portion of his swamp lands in the county of Cumberland about 14 miles below Fayetteville, and about 12 miles East of the Cape Fear River. The entire swamp has been successfully drained, of the large body of water by which it was heretofore covered. The land is apparently level, being free from ridges (which are so common to swamp lands generally.) whilst there is an abundance of fall, by which the rain water can be carried off by ordinary ditches. A small portion of the land has been in cultivation about 7 years, and those persons who have seen the crops regard the land as equal in fertility to any they have seen in this State or elsewhere. The location is healthy, the neighborhood good, and the access to Fayetteville and Wilmington easy by means of a good road 1½ miles in length leading directly to the river. Besides this, it is within 3 miles of a beautiful little village, upon a high and healthy Bluff, at the river, with a Store, Ware-house and first-rate landing. All which afford many conveniences to the neighborhood. As several persons have spoken of purchasing, this is deemed a proper time to call their attention to the subject, inasmuch as there is a crop now growing
