Fire Insurance.

E refer our readers to the annual statement of the Etna Insurance Company, of Hartford. This sucressful institution was incorporated by the Legislature of connecticut in 1810, with a perpetual charter. Its apital is \$500,000, and its accumulations exceed \$800,000 more, making its entire assets over \$1,300,000 inested as detailed in the statement referred to. These estilts indicate that during the period of nearly forty ears since its organization, (without a single change of chief officer,) its business has been conducted with dgment and prudence. It has been thus far successin an entitled degree, discharging, as we are in-med, all its obligations by the payment of about ten-tion dollars for losses, without asking a day's delay in y instance. It has had but little litigation, notwithing the immense number of transactions made. In der to attain as much certainty as possible in such a pany, for several years, at great labor, carefully to

be found at the Post Office.
S. S. SOLO ssify and arrange their risks into about fifty distinct the amount of premiums received thereon, and the ent of losses upon each. This classification, extendr a long period, and covering property to a very e amount, furnishes reliable data, and presents a ad, substantial basis of actual experience, upon which anduct its business. Insurance is not a matter of or chance, as many suppose; its hazards are ascernable, and its principles capable of being reduced to setem, the practical working and results of which are certain as that of any other business. The Ætna apany, by adhering rigidly to its system, and placing business upon a healthy basis, has obtained the con

ative impunity, through some of the most sweeping d destructive tires, which have swallowed up other mpanies less cautious in their business. It is a system ethis, based upon experience, which gives stability a soundness to a company, and to the assured contact and security.—Baltimore Patriot. STATEMENT OF THE ETNA INSURANCE COMPANY.
