GAS FITTINGS AND FIXTURES. THE subscribers will be prepared by the middle of August, to supply every description of Buildings,— Dwellings, Stores, Factories, &c.—with all the neces-sary FIXTURES, for the introduction of GAS. As we are constantly engaged in the business of building Gas Works in this and other States, we of course

can afford to bring on a large stock and sell on more reasonable terms than others. Our stock will include Chandeliers, Pendents, Brackets, Glass, &c. As we have leased the works for five years, it will be to the advantage of those requiring such fixtures to get them of us, since upon us will fall the care of them, keeping them in repair, &c. For this purpose it is both our interest and pleasure to emply none but the best Gas Fitters.

In our absence for a few weeks, all who wish to have the Pipes introduced into their buildings, will please leave their names with Mr. W. N. Tillinghast, who will give all necessary information on the subject. It is desirable to know as early as possible, so that the Fixtures may be introduced at the same time with the construction of the works, and thus all them light up with the construction of the works. struction of the works, and thus all may light up simul-WATERHOUSE & BOWES.
