FROM HABPERS FEBRY.

Grand Scouting Expedition-No Army in Force-Aleriness of our Troops.

HABFER'S FERRY, Monday, July 21, 1863. The receat scare in regard to the threatened advance of the rebels on Winchester is entirely abated. Four scouting expeditions of Gen eral Miles's, Gen. Platt's, and Gen. Kelly's commands have returned to their respective headquarters, and report no enemy in force within 20 miles of the Baltimore and Ohio Rail road and Potomac River. The force that threatened Winchester last week was discovered to be only a few hundred local cavalry of gue las, who after making a dash forward and dri

The vigorous movements of our troops, under the initiadiate command of Gen. Banks, o both sides of Stauston, will force the enemy to evacuate all the intermodigte ch relief is being felt alo: Baltimore and Ohio railroad, and on the Maryland border. The people have felt secu enough under protection of the guns in the forifications raised on Camp Hill and other points, by command of Major-Gen. Wool; but much uncasiness exists among some of the loyal people throughout the valley concerning the movements of Jackson, who come to concede as almost an omnipotent being. I really believe they place as much reliance on the promise he made to the people Winchester, that "he would return soo the secessionists do themselves. Rumors of the most conflicting nature reach

us in regard to the movements of the rebels but as they are undoubtedly set aftont by South-ern sympathizers I do not care to repeat them. The only danger to be apprehended is from the guerrilla cands making a dash upon small bod-ies of our men who may be left to guard certain towns on the Winchester side of the valley, but that Jackson will come forward with force and contest the ground with Pope inch by inch, no fears need be entertained. Jackson don't do

pany is rapidly approaching completion in Baltimore City, but some months will elapse before it is erected. The wooden bridge, which was swept away by the freshets several ago has been fully replaced, and the trivel over the road is excellent-public confidence in its security having been restored. A genera United States Hospital has been established here by Medical Director Simpson, and contain about 300 convalescent patients. Hospital ients are being prepared for the accommoda-tios of over one hundred men.
