LOCAL MATTER.
M. C. WOODSON, Editor.

HARD TO REALIZE.—To Joe J. H. Separks in the Mayor's chair, Democratic clerk, police and city officials generally, is almost too hard even to realize, but it is even so, and every time we think of it we feel like shouting once more. There is quite a different state of things apparent at the market house, and the stink is departing as if by magic. Hurrah! for Hurrah! We have the State, county and city, and really we once more begin to feel like a white man.

ARRIVALS FOR THE STATE PENITENTIARY.—Sheriff Hughes, of Orange, brought to the city yesterday four convicts for the State Penitentiary, and deposited them safely. John Smith was one of the number. Poor John, we have been fearful that he would come to some bad end. There were five sentenced by Judge McKay, but one started last Saturday evening through the country. He will get here in good time.

TRINITY COLLEGE.—We are pleased to learn that the new Chapel of Trinity College has been completed with the exception of painting. It is said to be one of the finest in the State and is a valuable acquisition to those it adjoins. The College is now one solid building and is without blemish or defect of any kind. The Chapel will contain about 2000 persons and its strength will be ten times the number.

MARKET HOUSE.—Mr. M. C. Woodson, of Highway No. 2, C. S., who has a 50-cent nettle gin, has been successful in making a nettle gin that will spin as well as any other gin now on the market. The gin is made of wood and is a valuable acquisition to those it adjoins. The gin is now one solid building and is without blemish or defect of any kind. The gin will contain about 2000 persons and its strength will be ten times the number.

HISTORICAL SOCIETY.—A meeting was held at the Yarrowborough House last evening to organize this Society. The Charter granted by the State General Assembly. Some twenty gentlemen were present including several who have been conspicuous for their interest in the history of the State, conspicuous among whom were Hon. W. H. Graham, Hon. W. H. Battle, Col. J. H. Wheeler and Gen. T. L. Clingman. The meeting was organized by the selection of Hon. W. A. Graham as chairman and Col. S. D. Pool as Secretary. Mr. Graham in taking his seat as chairman addressed the meeting in a most interesting manner, dwelling particularly upon the gaps and deficiencies in the early history of the State and the cause thereof. Want of space forbids a further notice of the proceedings in this issue. They will appear tomorrow. As the Society is now fully organized, the occasion may justify comments elsewhere in our columns.

HON. R. P. WARDING.—As will be seen by the following letter, the distinguished gentleman whose name heads this article has accepted the position of Vice President of the State Agricultural Society. Colonel Warding has filled the high and honorable position of State Senator from the glorious old county of Mecklenburg for the past four years, and but few men in the State are more favorably known. We congratulate the Society on its selection:

CHARLOTTE, N. C.,
April 29, 1925

Dear Sir:—Your letter of the 21st inst. informing me that the Executive Committee of the State Agricultural Society had unanimously appointed me Vice President of the 9th District has been received. In accepting the same permit me to extend to you my acknowledgments and to thank you for the handsome manner with which you have been pleased to convey it. I have the honor to be with much respect, your obedient servant,
R. P. WARDING.

UNIVERSITY OF NORTH CAROLINA.—We learn that the Board of Trustees of the University adjourned yesterday evening after a protracted and hard-working session of two days. There was much enthusiasm in the Board and entire concurrence of success. A scheme of re-organization was adopted, and a committee was appointed to solicit contributions from the alumni and other friends of education in the State and elsewhere for the revival of the institution. The doors will be opened for pupils on the first Wednesday in September. A Faculty will be elected the 15th of June next, when the Board will convene for that purpose. Before adjourning the Board agreed to borrow \$50,000, to be used immediately in repairs of the College Buildings and Professors' houses, and showed their faith in the success of the University by signing their names as sureties on the note.

MUNICIPAL ELECTIONS.

FAYETTEVILLE.—The entire Democratic ticket elected by a majority of 188; a gain of 187 over last year. Great rejoicing. Send the news to Hiram!

CHARLOTTE.—The contest in this city resulted in the election of Col. Wm. Johnson, the regular Democratic candidate for mayor, by a majority of 59. There was much rejoicing in the city Monday night.

WARRENTON.—Dr. S. G. Ward, Democratic candidate, was re-elected Mayor for the third time, having received every vote but eighteen, which were cast against him on account of the hog ordinance.

GOLDSBORO.—The Republicans elected their whole ticket, Mayor and five Commissioners, by some 25 majority. James A. Washington was elected Mayor.

DURHAM.—Our neighbors, the Durhams, are really trying to overtop us in rejoicing over the result of the municipal election yesterday. A special telegram to the News announcing the glad tidings that she had increased the Democratic majority to 188, elected Dr. Hugh Durham, Mayor, and Dr. Hughes, Wm. Mangum, S. F. Tomlinson, J. H. Reams, S. A. Thaxton Commissioners is headed as follows: "The Durham Managerie Broke Loose"—"The Bull is on the Rampage"—"The Bear Raging High"—"The Tiger unchained"—"Great Rejoicing in the Suburbs"—"Democratic Majority 188."

FIFTY FIRST ANNUAL CONVENTION OF THE CHI PHI FRATERNITY—DURHAM AT THE EXCHANGE.—This Secret College fraternity met in an annual convention in Richmond, Va., April 27th. The Chapter was called to order by Past Grand Alpha, William Bishop, after which the following officers were elected for the ensuing term: Grand Officers—Grand Alpha, Wm. Sutphere, of the Grand Lodge of New York City; Grand Gammon, J. M. Shackford, of X.I.; Grand Delta, T. G. Watkins, of Alpha. The roll was then called, and delegates from 25 Chapters responded.

The proceedings of the Grand Chapter were so interesting and so successful, and we are glad to see that applications were presented for charters for new Chapters. They have the first class chapters and universities in America and some in Europe. About 10 o'clock the Grand Lodge and a few invited guests adjourned to the spacious hotel dining room, where a banquet was spread for their social enjoyment. Grand Alpha, Wm. Sutphere, occupied the head, and Meade Hoskins the foot of the table, and after full justice had been done to the viands, and they got down "where it didn't taste good," Mr. Hoskins arose, and in a brief and characteristic speech welcomed the fraternity, after which the following regular remarks were offered:

"Our Charter"—I extend our love to the banks of the Connecticut to the Mississippi, and even the proud billows of old ocean waves do not confine her—for her white wings of joy-like life have long been "perched" on the serene hills of old Scotland. May its benefits to its members and to mankind always be commensurate with the extent of its influence. Responded to by George H. Burwell.

"Our Chapter"—The lovely sisters of a happy family. May they be fruitful veins about our shrine, and their olive plants about our table. By Wm. A. Howell, Jr.

"Our Graduates"—May they remember that their duties to their father mother end not with college life, and they should sustain her honor in the busy world as in the quiet study. By J. B. Hiller, Jr.

"Our Under Graduates"—May they add new lustre to our already bright reputation; by C. C. Oan.

PROFESSOR S. J. STEVENS—HIS LIFE AND SERVICES—RESOLUTIONS OF RESPECT.

With deep sorrow of heart, we record the death of this eminent Christian gentleman, who not only lived and died in the faith of but has long been regarded as Jesus, among the lights of this generation, who possessing great powers and attainments devoted these sacredly to the honor of God and the best interest of his fellow-men. A few leading points of his life are all that we can furnish and these we give just as we have received them from another.

Prof. Stevens was born at Claremont, New Hampshire, on the 26th of August, 1821, and died at Raleigh on the 26th of April, 1925.

He was graduated at Dartmouth College in the year 1842. What his standing as a scholar whilst at College was we do not know, nor is it necessary we should know, since in his subsequent life he attained a very high position in nearly every department of sound learning. In the Autumn after his graduation, he took charge of a school for boys in Murray County, Georgia, and afterwards one of the kind in Gainesville in that State. In 1844 he moved to Rome, Ga., where he taught for sixteen years, one-half of that time in connection with the Rev. J. M. Caldwell, who had charge of a Female School of character at that place. In the year 1854 he moved to Statesville, N. C., and taught for four years in the Concord Female College. Thence he removed to Greensboro, N. C., and for three years taught in the Edge-worth Female Seminary. In 1871 he came to Charlotte, where he was connected with the Messrs. Burwell in their school at Charlotte Female Institute, and in 1872 he moved with them to Raleigh and with them opened Peace Institute as one of its associate Principals. Thus it is seen that the whole of Prof. Stevens' life after he left College and came to the South was devoted to the instruction of youth, male and female. From the date of his entering Georgia immediately after his graduation at Dartmouth College, to the day of his death he was entirely engaged in this high and honorable employment. His first efforts arriving in the South afforded sure promise of that high degree of excellence which he attained in this important pursuit. Indeed his whole life was but one continued success. The reason of this is easily explained. He possessed those qualities of mind and heart which go to insure success in a degree which but few other men ever possessed. He was a thorough scholar in the department in which he taught. He was learned, patient and faithful, was honest, and most religiously conscientious in the discharge of his duties. He was a successful Educator he was also a devoted Christian.

Perhaps no man more clearly recognized Education and Religion as the two pillars which stand in the forefront, one on either side of the beautiful gate of the Temple. Beside these qualities, Prof. Stevens ever exhibited before his pupils an example of the indomitable energy, untiring industry, unceasing acquisition and consistent piety.

Having adopted a system which was in its nature and tendency parental, he watched over the conduct and welfare of his pupils with affection and solicitude. So successful was he in the appreciation of this system, that the pupils who were placed under his care, loved and revered him as a father and friend. When admonition or censure became necessary his course of proceedings was in a high degree efficacious and salutary. The admonitions were delivered in a manner so affectionate and at the same time so plain that they rarely if ever failed of the desired effect. He conquered by love. Such is very briefly the man whose untimely death the whole community is called upon to mourn. The cause of education has sustained a loss, which it could ill afford to bear. Peace Institute especially and every other establishment of learning in the land cannot but feel the shock, when such a pillar of education has fallen. As an evidence of the love and esteem in which he was held by the pupils of Peace Institute, the subject was prepared by them and is here published in connection with the foregoing.

DEATH OF PROF. S. J. STEVENS.—On the announcement of the death of Prof. Stevens, the pupils of Peace Institute held a meeting in the chapel on the 27th of April, at which Miss Emma Gross was made Chairman. The following young ladies were appointed a committee to draft a paper expressive of their feelings on the melancholy occasion, namely: Misses Emma Gross, Annie McKenney, Julia Spencer, Alice Kerr, and Sallie Arrington.

The following is a paper presented at a subsequent meeting:
