WHERE TO GET-IN TRUTH,

OW TO SELECT

THE BEST PIANO FORTE MADE IN THE COUNTRY.

Assertions to the contrary notwithstanding, no manufacturer in this or in any other country can assert that he turns out all his instruments good alike in tone, and tell the truth. Pianos are almost entirely the work of the hand and it is impossible to make them exactly alike in finish, even, to say nothing of tone, which in part is due to chance. to chance.
We have found pianos to vary greatly in makers of this country.

The ability to recognize and to define the true difference in the value of pianos of the same, and of different makers, is only acquired by patient study, with every day opportunities for making comparisons.

Is to rely upon a tried, experienced, competent person to select for you, who-is a dealer is responsible, values his reputation, that of his instruments, and can give the lowest possible prices consistent with a reasonable profit.
We are indebted to the Press of Virginia and North Carolina for many complimentary notices from which we make the following extracts:
"The 'right man in the right place.'"-Peters-burg Index.

The Best Policy.

"—any representation he may make will be found strictly true."—Roanoke News. "We have known him for years—he prom-ises no more than he performs."—Roanoke Valley.

"—he keeps posted, and what he says can be relied on—his responsibility having been proved by his success."—Petersburg Prog-"-Nash we know-he is a critical judge

of pianos, exacting with manufacturers, conscientious and to be relied on."-Warren-Lowest prices granted and the most liberal JOS. VAN HOLT NASH,
