[For the Daily News, A CARD.

I desire to enter my solemn protest against the action of the Republican State Convention in relation to the resolutions introduced in that body touching the question of the United States Senatorship.

When the resolutions were first introluced on yesterday, I bitterly opposed them for the reason that they, in effect, endorsed the claims of Gen. Joseph C. Abbott for the Senatorship, and instructed the United States Senate to admit him. When the resolutions came up to-day for discussion in the Conventior, the gag-law was applied, and the voices of those who opposed them were drowned in the deafening shouts of the multitude, so that all discussion on the merits of the resolutions was shamefully cut off.

I take this method, first, of protesting against the discourteous conduct of the Convention in refusing to hear the op-Senate of the United States, and if it precedent, and subversive of every remarks in which he promised faithfulness to the party, said something about
