Five composers in the News office have recently enlisted under the banner of the Friends of Temperance and the Good Temples. Go in boys, it's a good thing-[We will get it down to 19 cents yet.]

Geo. Peace, representing several wholesale houses of Baltimore, is still in the city, making friends and customers. A long acquaintance with Mr. P. will justify us in commending him to our merchants. We are requested by W. W. Jones, Esq., of this city, to say that, although having consented to serve as Assistant Marshal at the State Fair, legal business will require his absence in the West for several weeks, and he will in consequence be unable to serve.

The Committee of Arrangements for the reception of the visiting Fire Companies on Monday next, held a meeting Tuesday night and appointed additional members on the Committee. Hon. K. P. Battle, Maj. TECKER HALL-De Bret, the Magician, opened at Tecker Hall last evening, to a tolerably fair house, and succeeded by his many wonderful tricks of leger-de-main in entertaining his audience, some of which were really astounding to behold. He re-opened to-night with an entire change of programme, and having established his reputation, will doubtless draw a large house. See his announcement under head of amusements.

FUNERAL OF DR. J. BRINTON SMITH. The funeral of the late Dr. J. Brinton Smith will take place this evening from 7 to 9 o'clock at the Episcopal Church. The public are invited to attend.

THE HENDERSON FAIR-Our Henderson correspondent, under date of yesterday, furnishes us with the following items concerning the approaching Agricultural Fair:

A stroll to the Fair Grounds in this place on yesterday, was truly refreshing. We found some thirty hands busily engaged in hammering, sawing, digging and scraping, under the energetic management of that stirring old wheel horse Col. (commonly called) "Smith" Harris. We found a new building erected 70 x 40 feet, two stories high, the lower room for buggies, carriages, &c., &c.; the upper floor to be used as a Floral Hall. We also found in addition to these two spacious rooms, seats under the roof of the same building for the accommodation of at least two thousand persons, ranged one above another, "circus fashion" so that every one can witness the trotting on the whole line of the track. In the main building also, is a large room to be used by the President, chairman of the Executive Committee, with their appropriate aids, also in another wing of the building is a room fixed up exclusively for ladies. A large number of good stalls for horses, cows, sheep, pens for hogs and coops for poultry, are in rapid progress and will be completed by Saturday at the farthest.

The grounds seems to have been deigned by nature for the purposes of agricultural fairs, five acres of the same being covered by a lovely grove of oaks affording ample shade, and the trotting track, some 1,400 yards long, adjoining, skirts the inner edge of a barrier, covering some 35 acres, so that any one standing on the ground can witness the whole trot the entire distance. We have heard competent gentlemen say this was the best track in this State or Virginia. Articles are already arriving for exhibition from Petersburg and Norfolk, horses are being trained daily upon the track, and everything bids fair for the best exhibition ever held here. Granville, Warren and Franklin counties abound with fine crops of tobacco, cotton, wheat, oats, potatoes, &c., and will be on hand to show their products, and if any other of our sister counties think they can "fan" them out, well, just come along and you are insured a fair, square deal. The young people are looking forward with profound interest to the hop and cotillion party on the evening of the 10th, being the third night of the fair; music, beauty and love will be there, and had your correspondent not put away childish things, he would certainly "wade in," as he may be tempted to do anyhow.

NEW ADVERTISEMENTS-The enterprising firm of dry goods dealers, Messrs. J. P. Gully & Bro., corner Fayetteville street, and Exchange Place, advertise in to days issue, the arrival and opening of an immense stock of all goods in their line for the fall and winter trade. These gentlemen are well known in this community, as first class merchants and fair, square and honest dealers. From a personal inspection of their large and attractive stock. We can assure the ladies that Mr. Gully, is a man of decidedly good taste, but don't take our word for it. Go and see for yourselves. Joy to the afflicted-the celebrated Beckwith's pills are again before the public and sold wholesale and retail by Joseph Carr, Wholesale and Retail Druggist, Petersburg, Va. See advertisement.

George T. Stronach & Bro., Martin street and Exchange Place, announce to-day the arrival of new goods in their line. Lost-A dog, the finder will return to Leach Bro's, and get the reward.

WAKE FOREST COLLEGE-We have been furnished the following communication for publication: Messrs. Editors: It will be necessary ere long for the State to furnish for its colored population a Deaf, Dumb and Blind Institute. As most of this class are uneducated it would be well that such an Institute should be located in the country where a piece of adjoining land might be cultivated so as to make the Institution in part, at least, self-sustaining. The Baptists are a large and influential body in the State. If their College was located at Raleigh it would evidently be to the interests of the denomination. We would respectfully suggest the purchase of the Wake Forest building by the State for the purpose above named, and the purchase by the Baptists of a location, and the erection of buildings, for a College at Raleigh. BAPTIST.

COLORED LIBERAL REPUBLICANS-Alfred Williams, colored, a delegate to the Louisville Convention, has called a meeting of the Executive Committee of colored Liberal Republicans of North Carolina, to convene in this city Oct. 10th. The Committee are as follows: Guy Lord, Rowan; George Alston, Chatham; Thomas Scott, Edgecombe; Edmund Morris, Blount's Creek; Nelson Turner, Orange; W. H. Reavis, Granville; Harry Dancy, Nash; William Cawthorn, Warren; Geo. W. Price, Jr., New Hanover; John Leary, Cumberland; S. A. Busbee, Green; Alired Williams, and S. J. Cross, Wake.

ERRATUM-In our report of the proceedings of the Commissioners meeting Tuesday night, we showed from the City Treasurer's report that there was now in the Treasury \$32,407, when it should have been \$7. An "0" was left out by the compositor in the amount that had been paid out, and the proof reader made his calculation accordingly, hence the error. The only difference made by the mistake was the general rush made at the Treasurer's office yesterday, commencing at 5 1/2 o'clock, a. m., by every man, woman and child in the town and vicinity that held city scrip.

FAIR WEEK ATTRACTIONS-We have been shown a letter addressed to the managers of Metropolitan Hall from the DeLeon Bros., in which they state that they will open in this city Fair Week, with the finest Opera Troupe that ever visited the city. A great trouble and expense, these celebrated managers have secured the very best talent that America can afford, among whom is the Mrs. Viola Pomeroy, of the great light of the New York stage. This will indeed be a rare entertainment, and will doubtless be patronized by our citizens in accordance with its merits.

PERSONAL INTELLIGENCE-Attorney General Shipp returned to the city yesterday morning. R. M. Furman, Esq., Editor of the Franklin Courier, is in the city. Capt. Sam. T. Williams returned to his office yesterday evening. Col. T. Brown Venable, of Granville county, is at the Yarbrough. A. M. Noble, Esq., of Selma, N. C., was at the National yesterday. Capt. J. J. Davis, of Franklin, honored our sanctum with a visit yesterday evening. Mingo Lodge, No. 296, Blackman's Mills, October 10th. Nahutta Lodge, No. 29, Nahutta, October 17th. American George Lodge, No. 17, Murfreesboro, October 19th. Unaffiliated Lodge, No. 7, Edenton, October 21st. Perseverance Lodge, No. 29, Plymouth, October 22nd. Elizabeth City, U. D., Elizabeth City, October 24th. Widows' Son Lodge, No. 75, Camden C. H., October 26th.

SINGULAR-A gentleman of this city killed a bird in Johnston county a few days since, which being unknown to him, he brought with him to the city. No one could tell him what kind of a bird it was, so he went finally, where he ought to have gone at first, to Mr. J. P. Taylor, otherwise known as Font Taylor. He began: "I killed a bird a few days ago, with which I am unfamiliar-"where, in a swamp or on high lands?"-"On a telegraph wire." Without waiting for a description, or seeing the bird, Col. T. then said: "Well, it is the strike, or butcher bird," and proceeded to describe it, and the same evening the bird was sent to him, and he was confirmed in his singular guess. Upon looking in a book on ornithology, Col. T. was sustained.

MEETING OF THE DIRECTORS OF THE RALEIGH & GASTON R. R.-The Board of Directors for the Raleigh & Gaston Railroad met at the office of the company in this city yesterday. We learn that a committee of gentlemen from Wake Forest College appeared before the Board and argued the public and private necessity of changing the present depot of Forestville to Wake Forest College, one mile below its present location. What action was or will be taken by the Board is not known.

HOP-We return our acknowledgments to the Managers for an invitation to attend the Hop and Cotillon party, to be given on the occasion of the Central Agricultural Fair in Henderson, October 10th, 1872. The Managers are: Capt. Jon. Booth, T. N. Jones, M. J. Hawkins, Jas. B. Grace, Col. W. R. Swain, W. D. Royster, T. T. Hamlin, Dr. Walter Brodie.

The Japanese Reactionist Movement. WASHINGTON, Oct. 2. Mr. Mori, the Japanese charge d'affaires, explains the present reactionist movement in Japan by saying that it is the effort of older men in public life to counteract the progressive movement of young men who have obtained the virtual control of affairs. Mori hopes the landing of the two Japanese vessels in New York will not long be delayed on account of fairs.

Affairs in England. LONDON, Oct. 2. Lord Hatherly has resigned his Chancellorship. MIDNIGHT DISPATCHES. THE GEORGIA ELECTION. RIOT AND LOSS OF LIFE IN MACON! The Negroes Proven to Have Originated it! THE STATE GONE OVERWHELMINGLY DEMOCRATIC!

SAVANNAH, October 2, 1 P. M. C. Bryant, Deputy Collector of this port, attempted to create a riot at the polls to-day, and was ordered off by the deputy Sheriff. He resisted and attempted to draw a pistol, when he was struck over the head with a club by the officer and taken off, and is now in confinement.

The election thus far is progressing quietly. Bradley, the negro who for the past two weeks has been inciting the negroes to riot and incendiarism, left the city last night for South Carolina, and has not yet returned. Reports from Liberty county say the Democrats are ten to one. This is a strong negro county. Radical leaders have collected the poll tax from negroes and have given them bogus receipts, on which they claim the right to vote.

MACON, Oct. 2. A fight occurred at the polls here to-day, growing out of another attempt by the negroes to take forcible possession of the polls, a device which they have successfully practiced here during the last three elections. Very early in the morning they massed at the City Hall, and marched down to the polls at the Court House in a column, under the command of their Captains, Lieutenants and Sergeants. There they found a smaller crowd, principally whites, and commenced crowding upon them and forcing them from the polls. A few bouts of fist-cuffs occurred in the dense mass, and then a discharge of brickbats came from the negroes, followed by an order from their leader, Jeff Long, to fire upon the whites. In the course of a few seconds about fifty pistol shots were discharged from both sides, by which one white man was killed, and some five or six negroes wounded, two of whom are since dead. The attack came from negroes, and these general facts are substantiated by numerous affidavits before the venerable Judge Cook of this Circuit, who was in the Court House, and himself a witness from a window that the negroes commenced the affair. After the affray, which lasted but a few moments, the bulk of the negroes left in haste and disorder, swearing that they would give up the election as they had been driven from the polls by violence, and could get no chance to vote. They massed again at the City Hall, where they were addressed by the Mayor, guaranteeing them perfect protection from a strong force

of special police which had been sworn in for the day, and free access to the polls, but with few exceptions they refused to vote, and many have gone home. The whole of this deplorable affair is simply the result of another attempt by the negroes to carry this precinct by storm, and a firm purpose of the whites to prevent a repetition of the outrage. All quiet at this time.

AUGUSTA, Oct. 2. The election passed off quietly. The election county Democratic by 800 majority, being a gain on Bullock's election of over 3,000 votes. Returns come in slowly, and nothing official can be given until to-morrow. No doubt of the Democrats carrying the State by an overwhelming majority, securing Smith's election by many thousands. Great enthusiasm is manifested, and the city is illuminated by bon-fires. A Greeley and Brown flag was raised and saluted by the firing of cannon.

The Jerome Park Races. NEW YORK, Oct. 2. The fall meeting of Jerome Park opened to-day. The first race was for the Manhattan Handicap, sweeps takes of \$50 each, \$500 added, one mile and a quarter. The following started: Freakness, Ortolano, Tabman, Monarchist, Lord Byron, Mary Louise, Fancher, Brennan and Sue Rider. The race was won by Fancher, Tabman second, and Monarchist third; Time, 2:13. The second race for Jerome stakes three year olds, \$100 each, with \$1,500 added, two miles. Joe Daniels won. Mate second; time, 3:49. The third race for nursery stakes for two year olds, \$50 each, \$1,000 added, was run by Little's colt Wild Idle, time, 1:45.

Weather Report. WASHINGTON, Oct. 2. In the Gulf and South Atlantic States, winds southerly to westerly, with generally clear and warmer weather from the lower Lakes to Virginia, and eastward southwesterly to southeasterly winds with cloudy weather and occasional light rain on Lake Erie, and southward to West Virginia, but generally clear weather in the Middle and Eastern States.

Terrible Railroad Accident in England. LONDON, Oct. 2. A terrible accident happened this morning to the passenger train from this city to Edinburgh. While running at very rapid speed, it came in collision near Kettlebridge, with a freight train, causing the instant death of nine persons. Many others are injured, and it is feared several of them will die.

The Capture of Mozzaton. SAN FRANCISCO, October 2. News from Mozzaton announces the capture of that city by Pronunciados on the 13th ult. Flores was captured with several others, and will be tried by Court Martial. Many acts of cruelty have been committed by the victors since their entry.

Washington Affairs. WASHINGTON, Oct. 2. Secretary Fish has arrived here to remain during the winter. Captain Alvero and Superintendent Enosh Hoog, arrived this afternoon with fifty-one wild Indians.

S. H. Pairo, an alderman and ex-city Attorney of Mobile, Ala., was shot and wounded in the arm, on the 19th inst., by a policeman of that city while in the act of setting fire to Mr. T. K. Irvin's cotton office. Pairo had with him the store of Mayor Parker. Pairo had for some time been suspected of being an incendiary, and three policemen were detailed some three weeks before the arrest for the special purpose of fixing the crime upon him, which they succeeded in doing after nearly two months' quiet and patient watching. The spirit which actuated Pairo in this matter seems to have been one of revenge on the Mayor of the city, who was about to commence proceedings against P. for malfeasance in office. When arrested, the ex-city attorney exclaimed, "I have done a dirty act, and you have got me!"
