LOCAL MATTER.

E. C. WOODSON, City Editor.

LOCAL BRIEFS.

The General Assembly meets on Monday.

Quite a number of our citizens left yesterday morning for the Wilmington Fair.

The Mayor's Court was not in session yesterday. When the big guns are firing, little ones lose their interest.

The Sheriffs are more backward in settling this Fall than in the past six years. So say those who have a right to know.

Harrison, the grocer, the man of big baggages, sent us a specimen yesterday weighing 14 lbs. He has five hundred more of the same sort.

Bradley, the man of "new ideas," received yesterday a large lot of clear Havana cigars, something entirely new, and a "good thing" to those fond of puffing.

The News office were treated to a Duck supper at the Restaurant of Miller & Nelson's last night. The long experience of the proprietors of this restaurant, enables them to keep a first-class eating house.

The Board of city Commissioners and the Executive Committee of the State Agricultural Society, will both be an session to day. The new Fair Grounds will be the subject of debate.

It is to be hoped that the Commissioners will accede to the wishes of the Society in the location, as we learn they are the best that can be obtained in the vicinity, and moreover harmony with the two bodies should prevail for the benefit of both.

JOIN THE BAPTIST.—The Biblical Recorder, of this city, this comments on an extract from a Masonic speech recently published in the Masonic Monitor:

"But I return to the day we celebrate. It is the 24th of June, St John's day. St John was one of our order, and a good showman in the Judge's country; and was also a hardshell Baptist who preached in the woods as we do to day. He was persecuted for our sakes and driven into the wilderness, where he had nothing to eat but locusts (which is a timber for grasshoppers) and wild honey."

The Masonic Monitor publishes the foregoing as a part of a speech delivered by M. W. G. M. Artemus Ward. We feel constrained to add a few remarks:

1. Many well known facts and unanswerable arguments satisfy us that John the Baptist was not a Mason.

2. He was not a "Hardshell Baptist." He exhorted men to repent, and conducted a great revival. "Hardshell Baptists" do not preach repentance, nor conduct revivals.

3. John the Baptist was imprisoned and killed for preaching unpopular truth and for rebuking sin, and not for "our sakes."

We hope as the political campaign is now over, the masonic editor will have more time to prepare his candidate for masonic patronage.

"GAB."—We hear people frequently speak of the "gift of the gab," as they are pleased to denigrate the habit indulged in by some men who have more brass than brains, and seem to think no assemblage can be properly enlightened without hearing from them. We regard this thing in a different light. So far from considering it a "gift" we believe it to be a curse. If not a curse to its possessor, it is certainly a curse to that portion of mankind who are brought into contact with him. He is a regular standing bore on all occasions, and if he gets into a deliberative assembly, as such creatures generally do, he becomes an absolute nuisance.

MAGISTRATE'S COURT, BEFORE D. A. WICKER, J. P.—David Newson, charged with an assault upon Trim Hanly, col. fined \$1 and costs. Trim attempted to drive a wagon over a certain crossing near the Raleigh and Gaston rail road Depot. Newson, an employee of the rail road, and having instruction from the officers to that effect ordered Trim peremptorily to take his wagon back, and not to cross the forbidden ground. Trim, gave him some impudence. Newson went for him. Police entered, brought him before the J. P., paid his fine and costs and departed in peace.

To LIQUOR DEALERS.—We direct the attention of the Liquor dealers of Raleigh and elsewhere to the announcement in to-day's News of Messrs. William McClure, U. S. A.; G. A. Cotten, Baltimore; Geo. T. Leach, of New York, of the firm of Leach Bro's, of this city, were registered at the Yarrowborough yesterday.

NO MORE SICK.—The rumor that the mules in Wynne, Yancey & Co's. Live-ry Stables had been attacked with Epizooty proves to be incorrect.

Mr. John has a fine lot of his Kentucky mules there, which are entirely sound and have not exhibited the slightest symptoms of the disease.

NO. 190.

ANOTHER MURDER.

A COLORED BOY KILLS HIS STEP-FATHER.

CORONER'S JURY SUMMONED.

VERDICT.

The Murderer Committed to Jail.

Yesterday morning George Dowd, a colored boy living in Oberlin near the city limits was arrested upon a warrant issued by D. A. Wicker, J. P., by officer King, charged with stabbing his step-father Turner Davis. Before the trial could commence, Justice Wicker received information of the death of Davis from the wound, and Dowd was at once committed to jail.

Coroner Magnin was notified, who summoned the following jury: J. H. Rogers, Moses Patterson, W. H. Matthews, Henry Farrar, Richard Shepperd, John Strickland, Wm Copeland, John Flagg, Frank Ricks, John James, Moses Blackwell, Richard Strickland, and repaired to the scene of the outrage.

THE JURY IN SESSION.

The jury met at the residence of the deceased, and after being duly sworn, went into the examination.

It was shown that a difficulty occurred between George Dowd and Turner Davis, his step-father; that in a scuffle that ensued, Davis was cut in the leg with a small pen-knife in the hands of Dowd, and bled to death before a physician could be summoned.

Dr. James McKee made the post mortem examination, who testified as follows: "I found the deceased with a wound in his right thigh, two inches below the ligament, directly over the course of the femoral artery, an incision on the inner side of the long muscle of the thigh developed the complete severance of the femoral artery. Death was caused by hemorrhage, caused by the division of said artery."

The Jury, after mature deliberation, delivered the verdict in accordance with the facts. Whereupon the Coroner issued his warrant, and George Dowd was committed to jail to await the action of the Grand Jury.

DEATH OF CAPT. GEO. B. BAKER.—We regret to announce the death of Capt. Geo. B. Baker, which occurred at the residence of his mother-in-law, Mrs. H. W. Miller, in this city, at 6 1/2 o'clock yesterday afternoon.

Capt. Baker was connected with the "Sentinel" office until his health compelled him to retire from business. He was a native of Fayetteville, but has been residing in Raleigh four or five years.

He was, we presume about thirty five years of age.

His death is not altogether unexpected as he has been suffering from that insidious disease Consumption for some time.

Capt. Baker was a gentleman of excellent moral character and was highly esteemed and respected in this community.

We tender our sincere condolence to his distressed family in their deep affliction.

THE DOG LAW.—The law which our coming Legislature proposes to pass in reference to worthless curs will prove of lasting benefit to all classes, especially to the poor men of the State. If we understand it correctly it is substantially this: That each and every dog shall after the 1st of next May, be taxed \$3 and be required to wear a collar to show that the tax had been paid. This is a special tax, and is to be applied to the education of the poor children of the State. When we take into consideration the thousands of worthless dogs and the great ignorance prevailing among the rising generation, the general cry will be, up with education and down with the dogs!

It is a notorious fact that the number of dogs in North Carolina is constantly multiplying, while education is being much neglected and the children of the State are growing up in ignorance and idleness.

DEATH OF CAPT. J. Q. DE CARTER.—Capt. John Q. DeCarteret, well and favorably known to the citizens of Raleigh and Wake county, died yesterday at the residence of his mother in this city at 4:40 o'clock A. M. Some four months since Capt. DeCarteret was smitten with Paralysis, from the effects of which he never recovered, and his death was anticipated by his friends.

He was one of the leaders of the party of Constitutional reform in Wake, having been nominated by the party for the Legislature in 1870. He was also a member of the Democratic State Executive Committee.

His funeral will take place tomorrow from the Baptist Church at 3 o'clock P. M. The Fire Brigade of the city, of which he was a member, will turn out in a body to the funeral.
