LOCAL MATTER.

E. C. WOODSON, City Editor

LOCAL BRIEFS.—Go to church to-day.

St. Patrick's Day—in the morning.

Two street fights yesterday. Nobody hurt.

A roving band of Gypsies passed through the city yesterday. Let 'em pass.

Seed oats and white peas at Ogborn's grain and feed store, Wilmington street.

Gen. W. D. Jones returned to the city yesterday. No news from the Jones-Young contest.

There will be a regular meeting of Hiram Lodge No. 40, F. A. M., tomorrow evening at 7 1/2 o'clock.

R. M. Furman, Esq., Editor of the Asheville Citizen, passed through the city yesterday, en route to his home.

Jas. D. Brooks, the popular agent of the Wilmington Life Insurance Company, is confined to his room by sickness.

Mr. Wm. Andrews living near the Central Depot was kicked by a mule in the right groin late last evening, and at latest accounts was suffering the most intense pain, and his condition is considered somewhat critical.

GENERAL COX AND ST. PATRICK'S DAY.—Our distinguished citizen, Gen. W. R. Cox, accepts in the following graceful manner an invitation to be present at the St. Patrick's supper tomorrow night:

Capt. T. F. Lee, Chairman, &c. Sir:—I am in receipt of the kind invitation to be present and participate in the celebration of "St. Patrick's Day," on the 17th inst. I assure you it will afford me most pleasure to do so.

It is highly appropriate for the sons of Erin to honor this day, and for others appreciating how prolific she has been at statesmen, warriors and poets, and how much she has contributed to our own glory and goodness, to unite with her sons on this occasion.

Very respectfully yours, &c., W. R. COX.

Near Raleigh, March 14th, 1873.

HON. JOHN G. SAXE.—Our citizens will remember that this distinguished gentleman will lecture at Tucker Hall in this city on Monday the 24th inst.

We learn that Mr. Saxe will only lecture in this city one time, and we again call upon those who wish to enjoy a feast to go and hear him.

Tickets for reserved seats can be had at Branson's Bookstore. Secure them early.

The following is taken from the Boston Post:

"Of the poem by Hon. John G. Saxe, we would say that nothing of its kind was ever received with more true delight, the audience warmly applauding its touches of sound sense and noble sentiment, and indulging in the greatest mirth at the poet's sparkling wit, felicitous expressions, and the lively tone that pervaded every line.

St. Patrick's Day.—To-morrow, the 17th inst. is St. Patrick's Day in the morning, and will be observed in this city by not only the Sons of Erin's Isle, but by our citizens generally who will participate in the celebration supper to-morrow night at the Yarrowburgh House. Dr. Blackall and his estimable lady will have everything in readiness, and a grand gala time is reasonably anticipated. We received too late for publication a lengthy programme for the day prepared by Father McNamara, but we can say that it is highly attractive and no one will regret that he was there. We have no doubt but the Dining-room of the Yarrowburgh House will be crowded to excessive overflowing. Tickets for sale at the drug stores and book stores.

THE PEABODY SCHOOL FUND.—The following named public schools in the State have, within the last few days, been promised assistance for the present year from the Peabody Educational Fund: Wilmington, \$2,000; Oxford, Greenville county, \$200; Washington, Beaufort county, \$600; Old Port, McDowell county, \$300; Warrenton, \$400; Dysartville, McDowell county, \$450; Otter Creek, Rutherford county, \$300; Sulphur Springs, Buncombe county, \$300. Assistance has been promised a number of other schools in the State from the same fund during the year.

FRIENDS OF TEMPERANCE.—We are pleased to learn that this Order of Temperance is making rapid progress in the State. Four new Councils were organized during the last week with an average of some 25 or 30 charter members.

The Friend is a Southern order based upon white membership, and extends from West Virginia to Texas, in which latter State alone there are upwards of 30,000 members, and over 200 Councils. One organized in this State.

A CARD JOURNALISTIC.—We insert the following card at the request of Mr. Evans:

Editor Raleigh News:—You entirely overreach my estate in supposing me able to start a newspaper in Raleigh. For the peace of mind of a small community of my creditors, please correct this impression. At present I have not the capital sufficient to even keep a boarding house.

Yours in the Craft, T. C. EVANS.

NORTH CAROLINA SUMMER RESORTS.

—As the season is rapidly approaching for our North Carolina down Easters to cast about for a comfortable and attractive place of refuge from the ill and chills incident to the section, we call the attention of all concerned to the advantages offered by the various places of resorts in our State.

The climate of this locality is said to be the most salubrious in the United States; mineral springs, the medical qualities of the waters of which are not excelled by any; refined and moral communities, with churches of every denomination, and the best schools in the country, gives N. Carolina an advantage over any other State as a summer resort.

Without disparagement to any of the other popular points in the State, we think it nothing more than sheer justice to speak particularly of one place, that will this season re-open after a suspension of several years.

The town of Warrenton, situated on the Raleigh & Gaston R. R. in Warren county, has long been noted for its salubrious climate and the excellent mineral springs near the town.

Warrenton has now one of the best hotels in the State. The Norwood House, though recently taken in charge by its energetic proprietor, is winning a reputation second to no Hotel in this section. It is being enlarged, refitted and furnished from basement to garret and the fair and accommodations are excellent. Mr. Norwood, the proprietor, will have completed from his house to the old Suck Spring (a distance of three miles) a turnpike road, and those desiring can have a beautiful drive to this truly romantic spot, but the water will be kept fresh on draught throughout the season at the Hotel. A large Ball room is one of the conveniences of this Hotel, and should the number of visit justify it, an excellent band of music will be in attendance during the season.

We have not as yet heard of other new plans, but the far-famed Kittrell's Hotel is being made ready for an increased patronage. North Carolinians, leave your money at home this Summer.

ESCALADE.—Simpson Mordecai, now under sentence of death for burglary, and confined in the county jail, escaped therefrom yesterday by scaling the walls, but was overtaken by several citizens, and brought back to his quarters. The jailor, a colored man, gave him permission to walk in the yard, and though the wall is very high, yet he climbed, according to the jailor's account, so quickly and easily, that he was gone before he saw him.

This wanton carelessness on the part of the jailor is reprehensible in the highest degree, and for this act of permitting a convict sentenced to be hanged, to go unattended, not to say walk out in the yard, is in our opinion a good cause for removal from office.

WE DIE HARD.—The Soliciting Committee, also the Auxiliary Committee appointed, at the last meeting of the citizens to raise funds for Fair Grounds asked through Mr. Harp, one of the members to be relieved from all other duties in the way of asking contributions. Some one present in the meeting proposed making one more attempt before a final abandonment of the project—and to test this matter, Messrs. Lynn Adams, Chas. Busbee, and Jno. Armstrong were appointed a Committee to again see if the citizens had fully made up their minds to let the Fair go. It is a matter that concerns them so much that we trust they will reflect before too late.

BLOWING UP OF DOWD'S MILLS.—The steam engine attached to the extensive Saw Mills of Dr. Dowd, at Apex, in this county, exploded its boiler on Friday, resulting in the entire destruction of the engine and considerable injury to the building. The accident was caused by the collapse of the main flue. The engineer was seriously wounded, but it is believed his injuries will not prove fatal. None other hurt.

THESE MILLS, SITUATED IMMEDIATELY on the Raleigh and Augusta Air Line road, and convenient to this city, were of great benefit to our building community, who will be necessitated to inconvenience arising from a temporary suspension.

THE BELL RINGERS.—As announced by advertisement elsewhere in to-day's issue, the Berger Family of Swiss Bell Ringers will delight our citizens to-morrow night at Tucker Hall with one of their marvellous entertainments. This company comes to us endorsed by the press of the State wherever they have appeared, and we therefore feel no hesitation in commending this exhibition to our citizens and believe they will be highly entertained by a visit to Tucker Hall.

ENTERPRISE.—In walking around our little city yesterday, and arriving in the neighborhood of the R. & G. R. R. Shops, and casting our eyes in the direction of the "old Bayonet Factory," we were greeted with a full view of a large frame building under construction, and proceeding to it, we found that our young and enterprising friends, Betts, Allen & Co., had purchased the site of the old "factory" and were putting up mammoth work shops to accommodate their rapidly increasing business. These gentlemen are first-class workmen, and turn out their work in good style and at short notice.

CLEANING UP.—The proprietors of the Billiard Saloon, Restaurant, &c., front basement Metropolitan Hall, are overhauling, renovating, renewing, refurbishing and otherwise cleaning up this popular pleasure resort which will in a few days wear a new look. The gentlemen thoroughly understand their business, as evidenced by their liberal advertisements in the News and we wish them continued success.

IMPORTANT TO WITNESSES IN KU-KLUX CASE.—For the benefit of a large number of persons in the State, we publish the following order, sent us by Solicitor Lusk yesterday:

OFFICE U. S. DISTRICT ATTY., Western District of N. C., ASHVILLE, March 13, 1873.

To all whom it may concern: All persons summoned, recognized, or otherwise bound for their appearance as witnesses at the U. S. Circuit or District Court, either at Greensboro, Statesville or Asheville, N. And they are also hereby discharged from any further duty as witnesses in any of said indictments, unless re-summoned.

W. S. LUSK, U. S. Dist. Atto. Western Dist. N. C.

RELIGIOUS.—The Rev. Dr. Craven, President of Trinity College, will occupy the pulpit of Edenton street M. Episcopal Church, this forenoon and morning.

CENTURY WHISKEY

Persons in delicate health, often find it difficult to obtain a Pure Stimulant when prescribed by their Physicians, and it is for this reason that our first-class trade that the

CENTURY WHISKEY is particularly designed. It is differently prepared from ANY WHISKEY IN MARKET, and is driving many old brands out of market, because the "principle upon which it is made is superior."

The almost universal testimony of those who have used the

CENTURY WHISKIES is, that there is an entire absence of Headaches, and other disagreeable after-effects so often experienced in the use of other brands. This is a direct consequence of the

Purity of the Century Whiskies, and the Impurity of many other brands. They are ABSOLUTELY PURE; four prominent chemists certify to this fact, viz: Prof. SILLIMAN, State Chemist of Connecticut, Prof. C. U. SHEPARD, Jr., State Chemist of South Carolina, Prof. W. C. TILDEN, Washington, D. C. Prof. JOHN DARBY, New York.

NOON DISPATCHES.

Affairs in Alabama.

MONROE, March 15.—During the progress of the debate in the House of Representatives, Parson, who was Speaker of the Court-room House, said that two million bond bill passed by that body was void ab initio, because it had never received the Constitutional vote. Mr. Hunter, another member of that body, said the bill was passed by a House that had no quorum present, and that the Senate was not in session when it pretended to have passed that measure.

The Legislature has been in session four months and no prospects of an adjournment before April.

The Civil rights bill in substance is the same as Sumner's bill, killed by the House by 19 majority.

The Conservatives all over the country are confident of the result of the election.

The Weekly Economist says it is rumored that Derby yields to the request of the Conservatives to undertake the formation of a Cabinet. A speech gives currency to the same report, but says that Derby is determined to appeal to the country.

LATEST.—3 P. M.—D'Israeli waited upon the Queen, giving her the reasons for impelling him to decline the office.

Derby concurs with D'Israeli that the Conservatives cannot accept the responsibility of forming a Government at this time.

WASHINGTON, March 15.—The fight is renewed with fierceness over the Chattanooga Postmastership. Capt. A. G. Sharp was on Thursday, confirmed by the Senate in place of Kennedrick, the present incumbent, whose friends in force are now here to prevent Sharp from entering upon the duties of the office; and to effect this end, they will endeavor to induce the Senate to reconsider the vote by which Sharp was confirmed, and if they fail in this, they will prefer charges against him to the present Governor.
